Foreword

Every day is someone's birthday, once a year comes an anniversary, while only once in a decade may wood, paper, china, or tin represent a specific anniversary. This year at Pius X High School, Faculty and Student Body alike are united in the celebration of our tenth, or "tin" anniversary.

Since its founding in 1953, Pius X High School has graduated eight classes of students. Thousands of students have passed through its doorways, walked down its halls, struggled with ideas, studied, learned, cheered for its teams, sung its Alma Mater, and then departed to assume the responsibilities of Christian citizenship as Catholic adults.

One of the main benefits of a Catholic education is the Christian influence on ideals. Pius X High School recognizes the importance of guidance, and takes an active part in the formation of the future Catholic American citizens.

From the very first day, Pius X High School has presented to its Faculty and students not only the toil and work, but also the activity and excitement that accompanies high school life. Full cooperation in both the academic and social aspects of secondary education gives students a well-rounded outlook on life as well as lasting and cherished memories.

It is the hope of the Tiara Staff that this yearbook will forever record and recall the moments, places, times, and most of all the people never to be forgotten, who have helped the celebration of our tenth anniversary achieve fulfillment.

Alma Mater

All through the years
We have a guide,
A hope, a light which in us does abide.
To thee we sing,
Alma Mater, Alma Mater, dear.
With thee shared our joys, shared our tears.
To thee we pledge our loyalty,
Our hearts so true to thy loved memory.
O Pius X, in your steps we strive to follow
Through the paths of life's own morrow.
Our dear Alma Mater still will stand
To guide the way
Though others may stray,
Pius X shows us the way.

Dedication

On this, the tenth anniversary of Pius X High School, the 1963 TIARA is dedicated to Saint Pius X, our patron. Nine years ago, on May 29, 1954, the day of the dedication of our school, Blessed Pope Pius X was canonized a saint. During this past decade, Pope Saint Pius has guided the school through its ten years of disappointments and success, its hardships and greatness; he truly has been a guide, a hope, and a light to the students of Pius X High School.

The motto of our beloved Pope was expressed in his holy actions as Supreme Pontiff—"Restore All Things in Christ." We, too, have accepted this motto as a guide in our daily actions. We prayerfully thank our holy patron, for the first ten years in the history of the school have seen its facilities and its student body grow larger while continuing to provide an excellent Catholic education for the attending students.

The future is certain to hold even more greatness for Pius X High School as we invoke the intercession of our beloved Pope Saint Pius X through the words of our Alma Mater, "Pius X show us the way."

Mr. O'Connor has been with the school all ten years of its existence, and to him also is this TIARA dedicated. Much of his time and work has been devoted to the teaching of biology and physiology to Junior and Senior students. In addition to his teaching duties, Mr. O'Connor has been coach of our Varsity Basketball Team all ten years he has been here, and in 1962 he saw his labor bear fruit as our Varsity Team won the Catholic League Championship.

Mr. O'Connor has seen two of his daughters, Penny, Class of 1960, and Sally, Class of 1962 graduate from Pius X. He is truly a fitting instrument to help accomplish Pius X High School's purpose of providing an excellent Catholic education.

Mr. James O'Connor

Faculty member at Pius X High School

Administration

Because our school, Pius X High, is an archdiocesan school, its administration is under the tutelage of the men pictured on this page.

His Eminence, James Francis Cardinal McIntyre (seated), was appointed Archbishop of Los Angeles in 1948. Shortly after his arrival here, he began work on Youth Education Funds which have made schools such as Pius X possible. In January of 1953, he was created Cardinal Priest under the title of St. Anastasia. It was in September of 1953 that Pius X opened its doors to students of this area.

To the Cardinal's left stands His Grace, Most Reverend Timothy Manning, Auxiliary Bishop and Vicar General of the Archdiocese. Bishop Manning was consecrated for Los Angeles in 1946, and he was named Vicar General in 1955.

Far left in the picture stands Right Reverend Monsignor Joseph F. Sharpe, Superintendent of High Schools and Colleges. Father Sharpe was the first principal of Pius X High from 1953 to 1961. It was in the early part of 1961 that he was elected to superintendent of High Schools, and in 1962 the title of Right Reverend Monsignor was bestowed upon him. Monsignor Sharpe was replaced as principal by Father Charles Cranham, who stands to the Cardinal's right.

My dear Students:

This year we are celebrating the Tenth Anniversary of Pius X High School. Our school was one of the first to be built by means of the Youth Education Fund. Were it not for the great devotion of His Eminence, Cardinal McIntyre, to the basic idea of keeping God in Education; were it not for his great determination to make the growth of Catholic Education keep pace with the tremendous growth of the Southland, were it not for the great self-sacrificing cooperation of our Catholic People in helping make this ideal a reality, there would be no Pius X High School, and most of our sixteen hundred graduates would not have had the benefit of a Catholic Education, and you would not be receiving it now.

It takes many years for traditions to form. There must be the constant example of love and devotion to the ideals for which an institution such as ours stands; there must be never-ending hard labor to justify every reason for its establishment; in our chapel, in our classrooms, and on our athletic fields, there must be a continued growth of spirit typifying the richness of the heritage that is ours as American Catholics.

In these ten years, a steady stream of illustrious young men and women have gone forth from our doors, living examples of that intellectual growth, moral strength, and solid spirituality, who are the reason for our existence as a Catholic school. From the very beginning, our ideal and basic tradition has revolved around the motto of our saintly Patron, St. Pius X, an ideal that we hold up to each one of you, charging you with the responsibility of continuing the growth of tradition so well begun during these first ten years: "To restore all things in Christ."

Father Cranham

Father Laurence Walsh

Father Walsh, in his second year at Pius X, has obtained the position of Dean of Boys and usually can be found fulfilling these duties before and after school hours in his office. Faculty Representative for students is another of the duties Father fulfills. A voice of thanks is extended to him for the great assistance he has been to the Student Council during the past year.
In addition to the above duties, Father is also the Junior Class Moderator, and teaches History II and Religion IV.
Father enjoys playing golf and tennis in the small amounts of spare time he has!

Father George Parnassus

The maintainence of discipline over student activities is one of the many various jobs attributed to our Vice Principal, Father Parnassus.
Although, being a Vice Principal is a full time job, Father finds time to conduct classes in U.S. History and Senior Civics and Sociology classes. After an absence of 2½ years, Father returned to Pius once again in 1961, making a total of five years of teaching at Pius.
At present Father Parnassus resides at St. Raymond's Parish in Downey.

Officials of Student Welfare

Sr. Gertrude Mary, D.M.J.

Sr. Gertrude Mary is here in fourth year of teaching English IV and History I. Besides that of teaching, Sister has the added duty of Dean of Girls at Pius X, which entails teaching the girls discipline and authority and preparing them for future years.
Sister graduated from Mt. Saint Mary's and Immaculate Heart with a Bachelor of Arts Degree. Around Pius X she is known for her persuasive methods of discipline in her position as Dean.

Father James Keefe

Father James Keefe's second year at Pius X has been one of extreme pleasure for him. As coach of the C basketball team, Father directed them to a season record of 21-1 and a 12-0 record as league champions. In addition to his coaching duties, Father is in charge of the studies office, where he has given invaluable assistance to seniors planning their college careers. Father is a native Californian but has spent 20 years living in Illinois. Father studied for the priesthood at St. John's Seminary in Camerillo, California.

Faculty

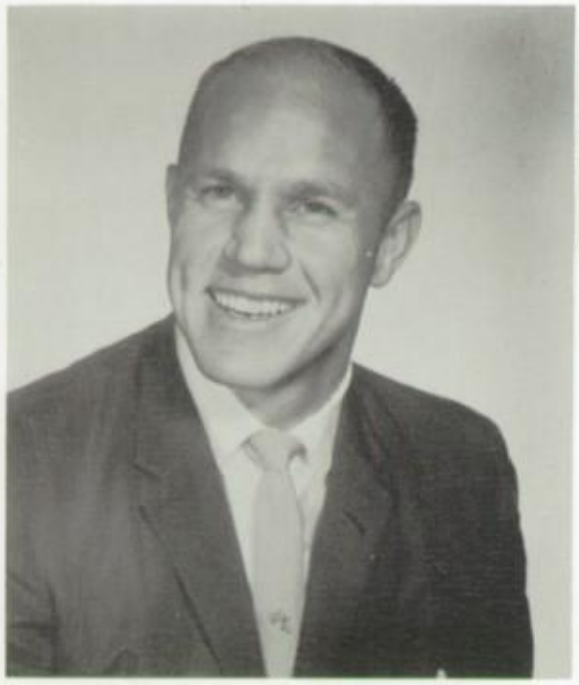
Mr. Herb Adams

Mr. Adams now in his second year at Pius X, as teacher of History I and II as well as assistant Varsity football coach, molds the minds and forms the athletic habits of many students.

Before coming to Pius X, Mr. Adams taught at Pomona Catholic High School for five years where he was also football coach. He attended New Mexico State College and Southeastern Oklahoma College where he received his Bachelor of Science Degree.

Mr. Adams is presently residing in Pomona, California, with his wife Bobbie Jean and five children—Herb Jr., twelve; Robert, eight; Cathy, six; Carol, two; and the latest addition to the Adams' family David.

Strangely enough the favorite hobby and sport of Mr. Adams is football!



Under the direction of Herb Adams, the Junior boys in his History III class seem to be helping him attentively check the map; they are from left to right: Paul Shaheen, Rich Scopelli, and George Phillips. Besides teaching History, Mr. Adams is coach for the Boys' Sport teams, who have done very well for themselves.

History

As one can see, these junior girls of Sister Clementia Marie's History III class, find it more amusing to have their picture taken, rather than study. From left to right are pictured: Sally Pettibone; Kay Hollywood, holding a picture of the Battle of New York. Sharon Virnig is pointing to the location of this famous battle on the map.

Sister Clementia Marie, D.M.J.

Sister Clementia Marie, of the Order of the Daughters of Mary and Joseph, as a member of the Pius X Faculty this year, is teaching Remedial Reading and History III.

Born in Texas, Sister moved to California where she attended Immaculate Heart High School. She went on to receive her B.S. from Loyola University and was a candidate for her M.A. at the University of San Francisco.

In previous years Sister has taught at St. Augustine's in Culver City and St. Michael's in that city of the Golden Gate, San Francisco.

Sister's hobbies include raising African violets and reading. She enjoys participating in both basketball and volleyball games.

Under the watchful eye of Sister Agnes Eugenie, Gary Anderson and Ron Kennedy work diligently checking the procedures of this Algebra I problem. Sister conducts four periods of Advanced Algebra I a day.

Sister Agnes Eugenie, C.S.C.

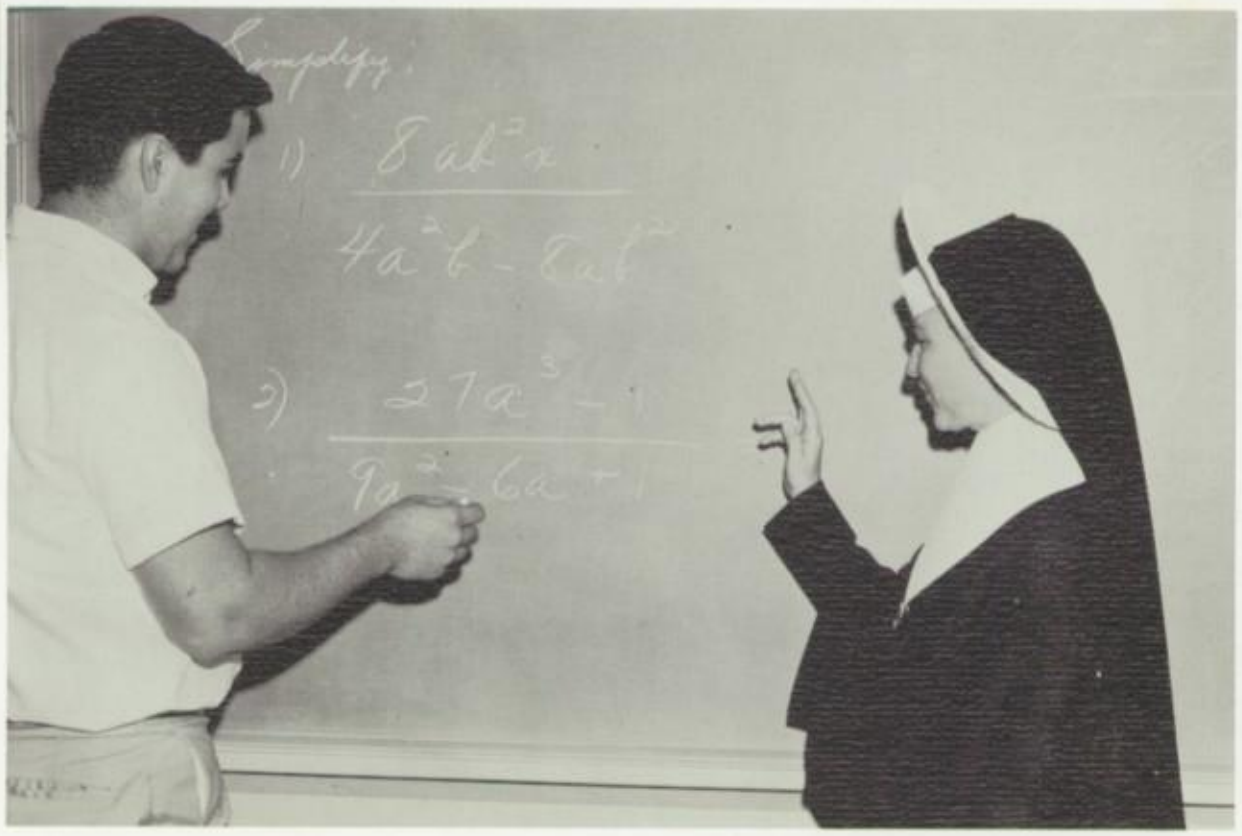
This is the first year as teacher at Pius X High for Sister Agnes Eugenie of the Sisters of the Holy Cross. Sister Agnes Eugenie attended the University of Utah, and the University of Notre Dame to which she received three grants; from the Case Institute of Technology in Cleveland, Ohio, she received one grant. While attending college, she received her Bachelor of Arts degree in English, a Bachelor of Science degree in Mathematics, and a Master of Arts degree in Theology. Before coming to Pius X, she taught at Judge Memorial High School in Salt Lake City, Utah. She now teaches Algebra I. Sister Agnes Eugenie resides at Sister of the Holy Cross Convent in Saint Philip Neri's Parish, Compton.

Algebra

Sister Anne Marie, C.S.C.

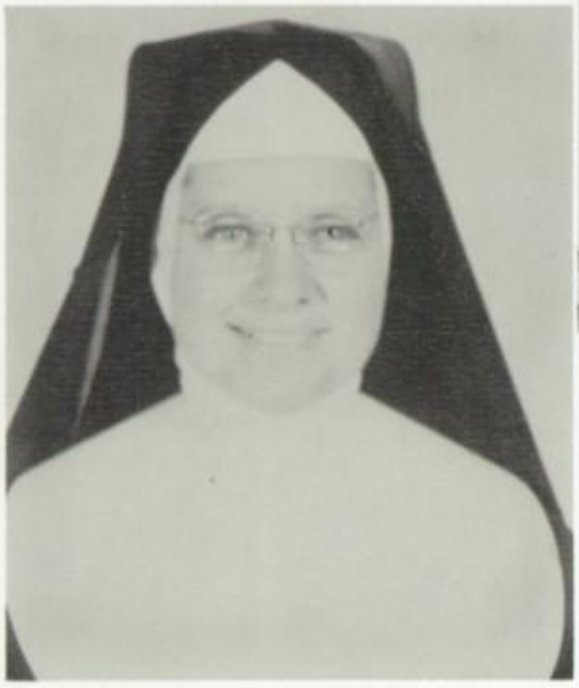
Sister Anne Marie, of the Sisters of Holy Cross, is moderator of Freshman Girls Homeroom 213. She has previously taught at St. Agnes High School in Los Angeles. Being the Math Department Chairman, Sister is kept exceptionally busy teaching all Math classes: Algebra I, II and Trigonometry.

Sister Anne Marie shows Junior, Dick Calitri how to simplify a fraction during one of her Algebra II classes. Dick seems to be very sure of how to work and solve the problem presented to him.



Sister M. Aline, C.S.J.O.

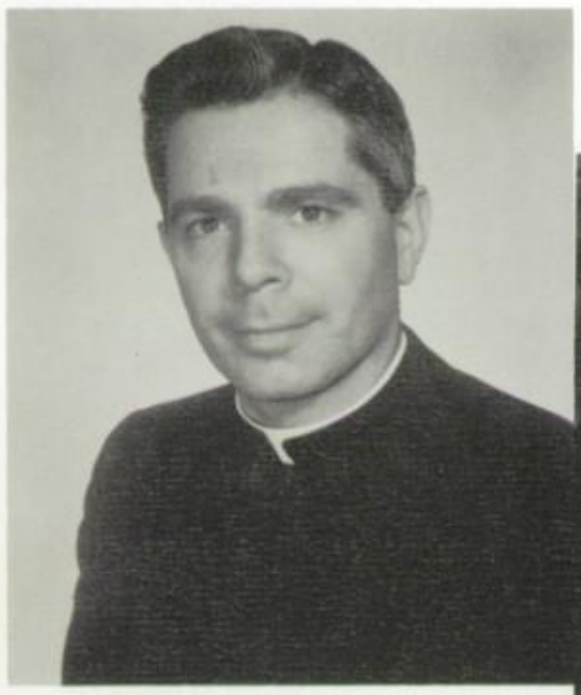
The sound of typewriter keys pounding away has become music to the ears of Sister M. Aline. Sister conducts numerous typing classes which are closely related to her position as Chairman of the Business Department at Pius X. Formerly she has attended San Diego College for Women and Loyola University. Sister Aline has previously taught at Mater Dei High School in Santa Ana.



With a full day's schedule varying from Typing I to Typing II classes and Senior Girls' Homeroom 217, Sister Aline is kept quite busy.

Here Sister watches attentively as Susie Harrison pecks away at those keys in Typing I.

All Through the Years

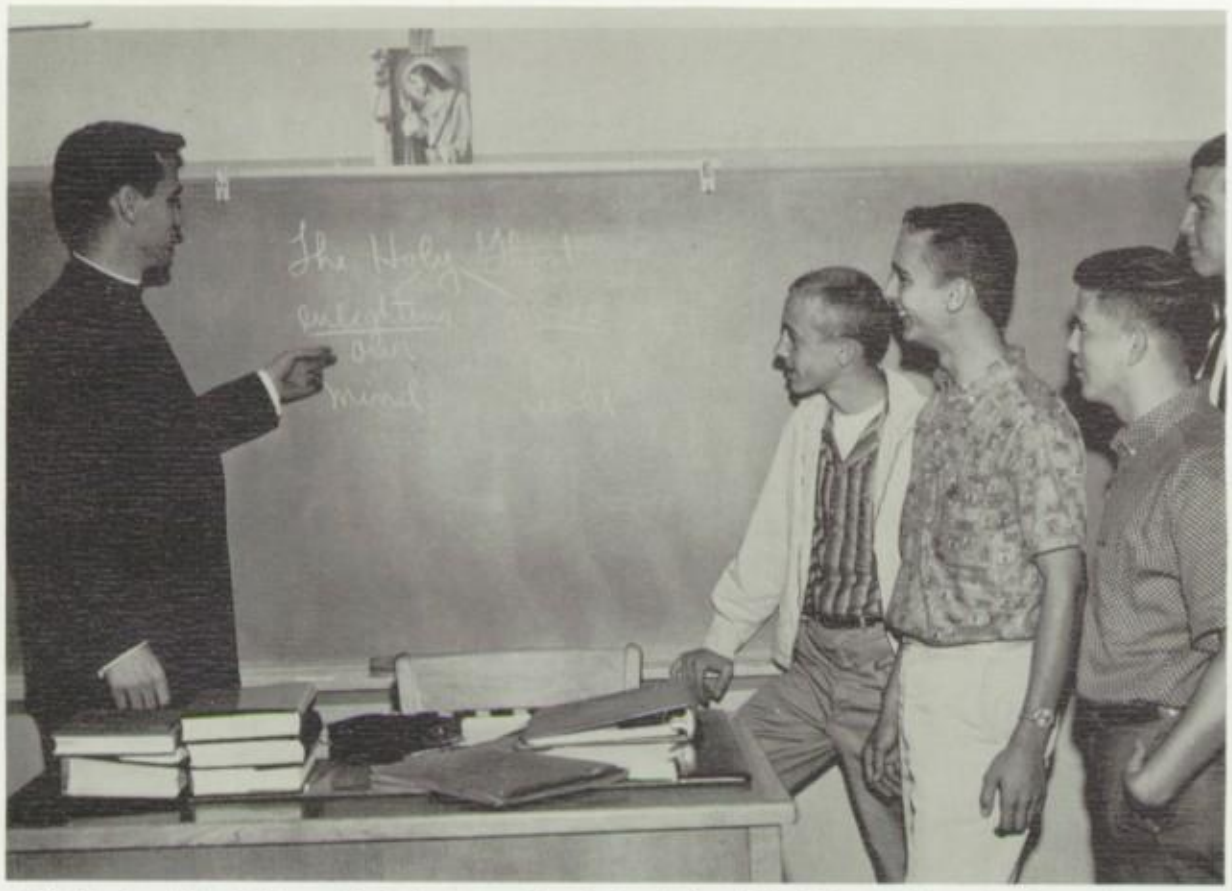


Father John Alvarez

Father Alvarez has taught at Pius X for the past three years. This year his duties include teaching Latin I, II and Religion II. He also manages the book store, works in the Studies Office, and coaches the "B" basketball team. When at home, and if the time allows, Father likes to restore model "A" Fords or play a game of basketball.

January 18, 1945, was a very important day for Father since he not only graduated from high school, but also became a Catholic. Then just two short years later he decided to become a priest. Now he is also a parish priest at St Philip Neri in Compton.

Father Alvarez watches while Pat Hendrickson expresses her knowledge in the 8:30 Latin II class. Does she, and the class, know the number, gender and case of Amat?



Enlightening his Religion III students on the facts of the Holy Ghost, Father Boudreau has a somewhat busy schedule. Listening with deep interest and learning, are left to right: Richard Adelman, Todd Beckley, Frank Crosby and Martin Chokany. Besides teaching his students about the Holy Ghost, Father also explains the 6th, and 9th commandments and teaches about the Catholic Church.

Father Thomas Boudreau

Since Father Boudreau came to Pius X three years ago, he has been quite well known on campus. Besides teaching Religion III and Spanish I, Father is the head coach of Pius' Cross-Country Team, and the director of the Mission Drive. Father enjoys many sports such as: baseball, football, basketball, and handball. When he gets some extra time, Father also enjoys fishing.

Prior to his coming to Pius, Father did parish work in Downey and Los Angeles. It was learned that he was privileged to study theology in Burgos, Spain.

Our Faculty

Mrs. Caldero and her Freshman gym class appear quite active in this volleyball game. Mrs. Caldero has a complete schedule of gym this year plus being in charge of the infirmary, which keeps her quite busy. Gym class provides a break in the day's studies and from the looks of the picture these girls seem to be enjoying it immensely.

Mrs. Eva E. Caldero

Mrs. Eva E. Caldero, a member of St. Emyduis, is a native of Taft, California. This is her fifth year at Pius X. She teaches physical education, and is moderator of the G.A.A. and girls sports teams. She is naturally very interested in sports, but her hobbies are art, sewing, and cooking. Mrs. Caldero has traveled throughout Mexico with her husband and three children.

A four year member of the Pius X faculty, Mr. Campo adds the distinction of a well-founded interest in the correct development of the English language and literature. Not only is he moderator of Senior Boys Homeroom 206, but he also teaches English IV, of which he has three classes, one class of World Literature, and two classes of English I.

Mr. Campo attended Loyola University of Los Angeles where he received his Bachelor of Science. His chief interests are reading, and creative writing which he tries to transfer to his Students through painless methods and means.

Mr. Campo attempts to instill in Bert Fantin, Jim Kozik, and Bob Baesemann an appreciation for writing. He explains to them that knowing the rules of the language, experiencing and reading the language, and the practical application of the English language are all necessary in the formation of a good writer.

Have proven Themselves

Sister M. Carmelina has assumed charge of the Library at Pius X. As a member of the Congregation of the Sisters of the Holy Cross, Sister makes her daily journey to school from near-by Compton. Sister has had the privilege of attending a number of universities and colleges throughout the country where she has received B.A. and M.S.L.S. degrees. Among these were Wayne University, St. Mary's College, Immaculate Heart College, and St. Mary of the Wasatch. Sister has worked as Cost and Payroll Clerk in Michigan and California. She has previously taught in Long Beach, San Mateo, and Los Angeles, in addition to being a librarian at St. Agnes High School in Los Angeles and the Academy of St. Catherine in Ventura.

Listening closely to Sister Carmellina's directions on the proper use of the card catalogue are Margaret Le Douceur and Jeanine Miller. Sister took most of the English classes, and explained the use of all information necessary to check out a book from the library. The students should find this information very useful.

Even poor 'Yorick" seems to enjoy getting his picture taken, as appears by the smile on his face. Kneeling, Pat Wallace wants to find out how the knee bone connects to the ankle bone; while Kathy Roche and Sue Hawkins seem intent on shaking hands with this fine looking specimen. Making the introductions is Sister Catherine Grace, moderator of Sophomore Girls' Homeroom 223.

To Be a Source

Sister Catherine Grace, I.H.M.

Sister Catherine Grace, of the Order of the Immaculate Heart of Mary, comes to Pius X daily from Long Beach. In her third year at Pius X, Sister's duties consist of teaching Advanced Biology, Physiology, Modern Science and she is also chairman of the Science Department..... At Immaculate Heart College, she received her Bachelor of Arts degree in Science, Art and Philosophy. Sister Catherine Grace has had art works on display in the National Architectural Exhibit, in Washington, D. C. She also received purchase awards from schools and museums for serigraphs. Her teaching experience includes the 7th grades, art letterings and layouts, at St. Bernadine High School and Grammar School.

Mrs. Bernice Caudillo

Mrs. Bernice Caudillo has been teaching Civics at Pius X for four years. With a heavy schedule of Civics classes this year Mrs. Caudillo seems to have a problem. Have you ever tried to correct 200 essay tests several times a quarter? Some problem! Mrs. Caudillo has taught at Pomona Catholic, Sacred Heart in Covina, Immaculate Conception, Las Vegas, New Mexico, and Proterero Heights, South San Gabriel. As far as hobbies go, she likes to read and sew. Mrs. Caudillo tells us that she enjoys the sports of hunting, fishing, camping, and swimming.

Intent on getting her point across to the audience, Margaret Wright (standing) presents her arguments with much interest. The subject matter under debate is Federal Powers vs. State Powers. The other debators are, seated from left to right, Dale Hendrickson, Bob Sands and Carol Jo Lyon. In the background, Mrs. Caudillo can be seen taking notes on the preparation and deliverance of their speeches.

Moderator of the German Class, Sister Christina has its members displaying various German objects; the members are (seated), Becky Conrad, Gayle Rausch, Linda Schmitz, Kathy Leinin and, (standing) Richard Maurer, Henry LeBourgeois, James Lowe, Rene Gascou, and Nick Apeldoorn.

Sister Mary Christina, C.S.J.O.

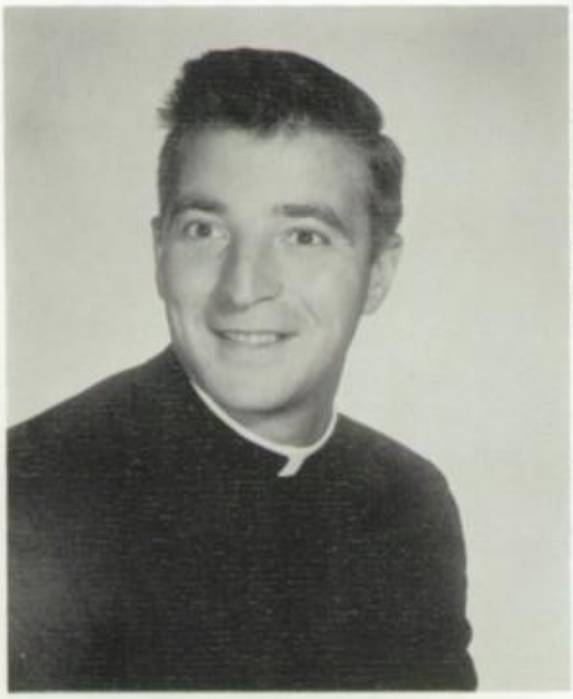
Sister Christina is a key figure in the language department at Pius X. She now teaches Latin III and Latin IV plus German I, II, II, and IV. She is moderator of Senior Girls' Homeroom 129, of the Senior Class, the German Club, and the Latin Club. She has taught throughout California and attended several colleges here. She received her B.A. in Latin and M.A. in History from these various universities, and colleges.
Some of her hobbies are plant husbandry and dabbling in foreign languages; she also enjoys a game of tennis—when she has time, as she rarely has.

German

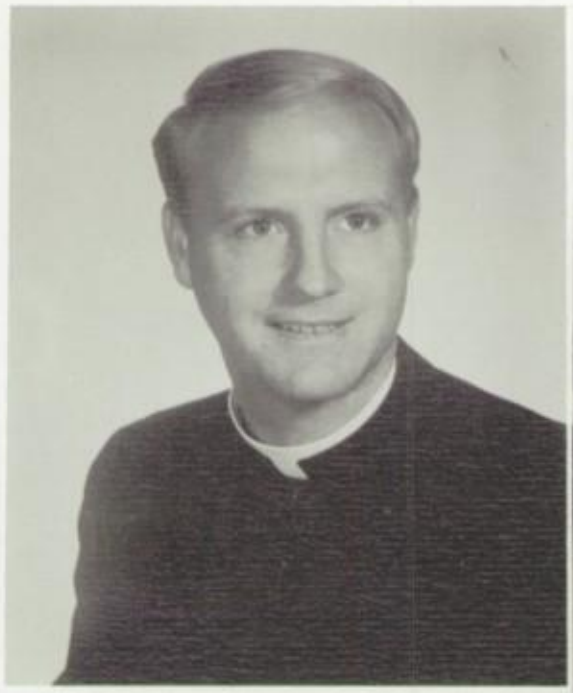
Religion

Father Cokus

Father Cokus, although this is his first year teaching at Pius X, holds many positions, In addition to teaching six classes during the day, which vary from Religion I to Latin II and III, Father is also Senior Class moderator and Director of Vocations.
Before coming to Pius X, he taught at Pomona Catholic High School, from which three other Pius X faculty members hail; Mr. Day, Mr. Adams, and Mr. Norvell.
Father Cokus attended St. Francis College in Loretto, Pennsylvania, where he received his Bachelor of Arts degree.
Although he has no particular hobbies, Father enjoys all sports—none of which he favors more than another. Father Cokus, when not teaching, takes over the regular everyday duties of a parish priest. He resides at Our Lady of the Rosary in Paramount.



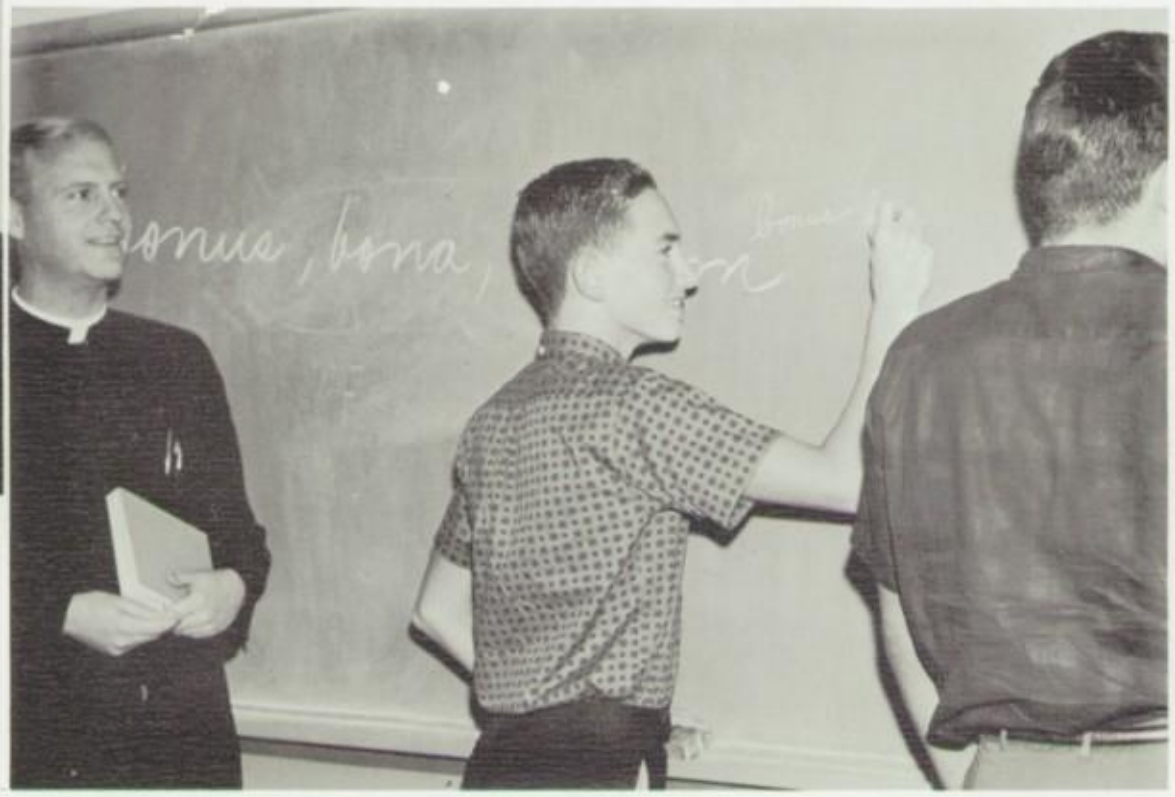
Father Cokus explains to his Freshmen religion class the beauties of Christ's life, death, and resurrection and it's application to a happy life and a happier Eternity. From the smiles on his class members' faces, it would seem those prospects are satisfying.



Father Croal

Father Croal is conducting his third campaign as a teacher at Pius X High School. He conducts classes in Latin I and II and Religion I. He is moderator of Freshmen Boys' Homeroom 106. He has studied at St. Mary's and at St. John's Major Seminary where he received his Bachelor of Arts Degree. Father Croal is now studying at Mount St. Mary's College for his Master of Arts degree. Before coming to Pius he conducted hospital work and was stationed at Immaculate Conception parish in Los Angeles. He now resides at St. Helen's parish in South Gate.

Father Croal supervises Richard Fisher and Giles Hadrych declining "bona" in his 4th period Latin I class. The class, under Father's able direction, will delve into the classical as well as practical aspects of the ancient Romans.



Latin

Bookkeeping

Confident as to obtaining the correct answer Pauline Light and Carol Javes work diligently on this Algebra I problem, while Mr. Day looks on with approval. Keeping him busy is his full schedule as coach of our football team and he teaches Algebra I and Bookkeeping.

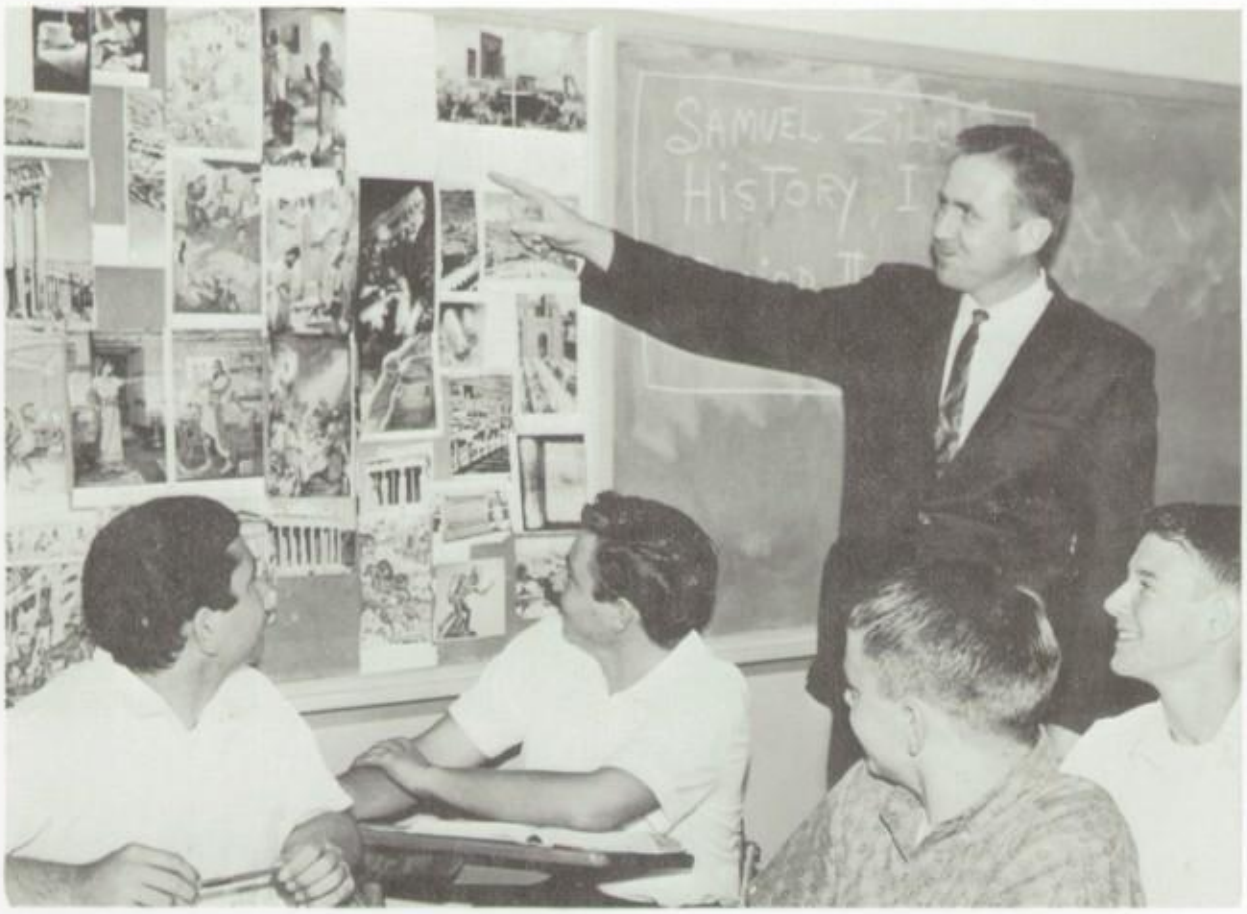
Mr. Farley Day

Mr. Farley Day, head varsity football coach, resides with his wife Mary Ellen Day and daughter, Mary Ellen Francis (14 months) in Pomona.

Mr. Day, who teaches Algebra I and Bookkeeping, has received degrees at various colleges and universities. At Louisiana State University he merited his Bachelor of Science degree and also attended Louisiana College, U.C.L.A. and University of California in Riverside.

He has previously taught at Menard Memorial High School for a year in Alexandria, Louisiana; St. Stanislaus High School, Bay St. Louis, Mississippi five years; and Pomona Catholic High School Pomona—five years.

His favorite sport is football, and succeeding it are track, basketball and baseball.



Mr. Donohue, sophomore history teacher noted mainly for his expert illustrations and explorations, is seen here as he points out an interesting feature from an article on his bulletin board. Mr. Donohue, a strong believer in class participation, feels that his history students may have a better understanding of their History if it is illustrated.

Mr. Donohue

Mr. Donohue, who resides in South Gate, attended Rockhurst University, University of Southern California and Immaculate Heart College. Having received his B.A. he began his teaching career. He is working toward an M.A.

Coming to Pius X in the school-year 1959-60, Mr. Donohue, an ardent history fan, has been teaching history the past four years and plans to continue teaching history.

This year he is teaching his favorites, History I and II besides being moderator of Homeroom 208.

Mr. Donohue has traveled a great deal, and, we may suppose, has visited such places of interest as mentioned in his History books. Among his other interests we find swimming, handball, and hiking—but chief of his hobbies is—teaching.

History

Sister Mary Matthew, S.S.N.D.

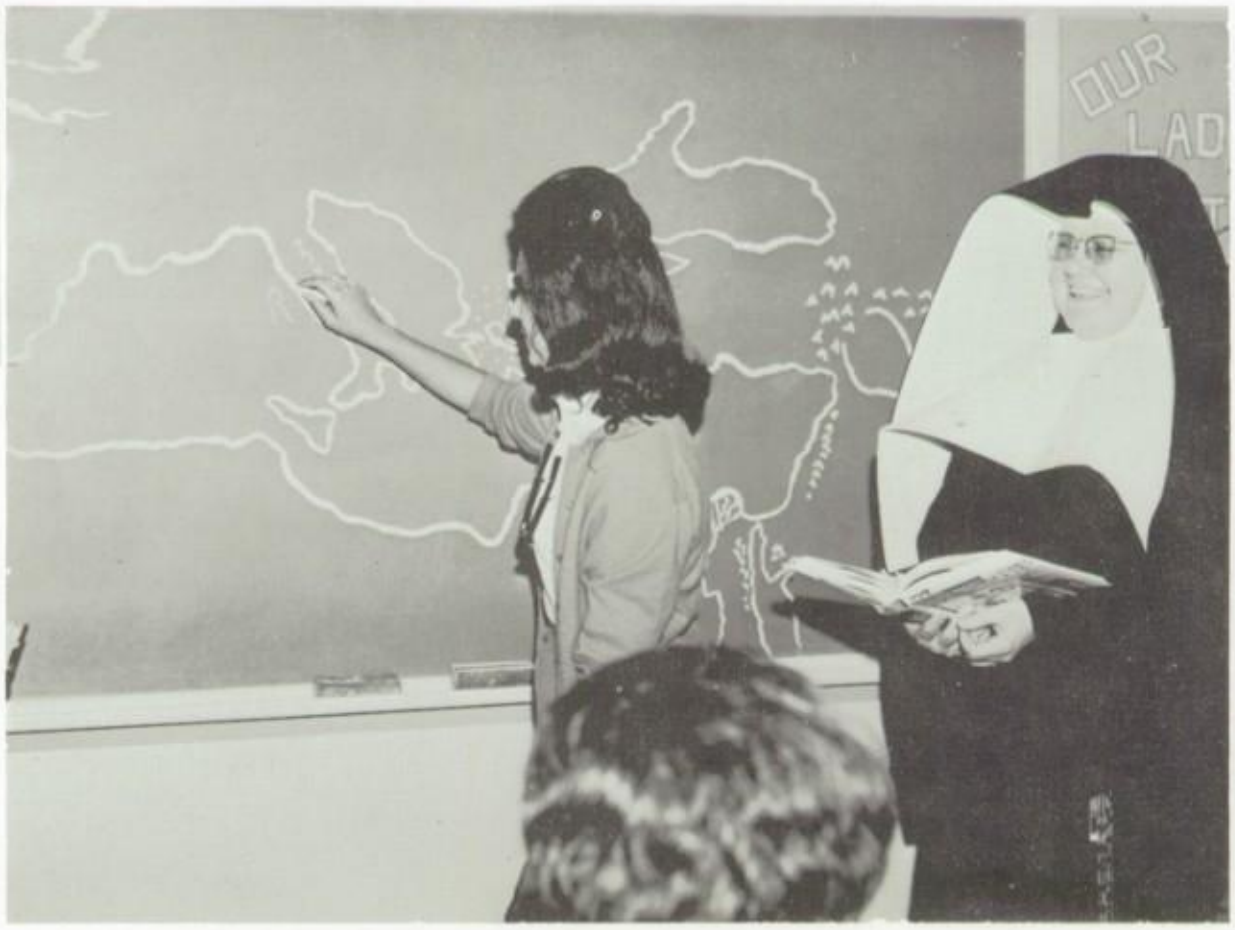
Sister Mary Matthew is a School Sister of Notre Dame. Prior to her arrival at Pius X, Sister has taught in Mississippi, Illinois, Missouri, and Japan. Sister teaches Freshman and Sophomore World History.

Sister Mary Matthew has been a yearbook advisor, and director of Speech and Drama Clubs in schools in which she has previously taught. This year at Pius X, she is moderator of the Junior Class and aids her parish by moderating its Chi-Rho Club.

Sister attended Le Clerx College and received a B.A. degree in World History. She was also awarded an M.A. degree in Speech and Drama from St. Louis University.

Her hobbies which she claims to be "too numerous," include statue making, rosary and jewelry making, textile making, oil and water color painting, dramatic production, "cutting," and crocheting.

As Diane Gourlay reads from the text on World History, Karen Bellini points out on the map of Europe each major city that is mentioned. Sister Mary Matthew looks on with smiling approval as her Freshman History class forges on through the ages.



Sister Duane, of the order of the Holy Cross, travels to Pius X daily from St. Philip Neri. During her four years of teaching at Pius X, Sister's primary interest has been Spanish. Likewise this year, she has a full schedule of Spanish I, IV and two classes each of Spanish II, and III. Sister is also moderator of Freshman girls Homeroom 219.

Sister Duane has previously taught in Salt Lake City and Las Vegas, in San Francisco and Los Angeles. Her chief hobbies include: listening to Spanish and Italian music, tatting, and lace-making.

The Spanish class poses with Sister M. Duane in their festive wardrobe. Larry Stewart, kneeling, seems perplexed about the instrument which he holds. In the second row Mike Hoggard, Angel Santano, Lupe Sanchez, Rosie Bernal and Agnes Storey pose happily, while Cathleen Zaragosa, Petra Gonzalo, Rita Ayala and Alice Gonzales take their position in the front row. Rita Ayala holds a picture of Our Lady of Guadalupe and Agnes Storey displays a Spanish Fan.

Father Moreno is teaching the fundamentals of Geometry to Sophomore student Ricky Rodriguez. Besides teaching experimental geometry, Father has Spanish classes. Last year Father's courses were Spanish and Religion.

Father Evencio Moreno, O.R.S.A., a resident of San Miguel parish, travels a long road to Pius X daily. He is a moderator of Sophomore boys' homeroom 212.

He is a native of Spain and it has been his privilege to have lived and worked in such places as Canada, France, and the Azores Islands. He was ordained in Kansas City, Kansas.

Here at Pius X, where he has taught for six years, Fr. Moreno has classes in Basic Algebra, Basic Spanish, and Basic Geometry. Basketball and soccer are his favorite sports though his chief hobby is music. He plays the trumpet and piano.

These members of Mr. Heideman's class seem rarin' to go, even if some appear to be interested in the cameraman: Bob Van Dieren, Bob Whitney, Ronald Stolarz, and John Rosales.
Mr. Heideman keeps the boys in his gym classes busy besides attending to his duties of President of the Catholic League and Athletic Director at Pius X.

Mr. Ray A. Heideman

Mr. Ray A. Heideman, who resides at 12835 Barlin Avenue in Downey, has been a member of the Pius X faculty for four years.
He has attended Wisconsin State College and Wisconsin University. He has taught and coached at Wisconsin State and St. John Cathedral High School in Milwaukee.
At Pius, Mr. Heideman is moderator of the Letterman's Club and is Athletic Director.
Mr. Heideman is the first layman to be elected president of the Catholic League of which Pius X is a member.
His hobbies are swimming, photography, and log rolling.
Mr. and Mrs. Heideman have two sons, Raymond III who is 13 and John who is 9 years old.

Of Foundless Hope

In an apparently interesting discussion on American Authors, Sister Helen Louise leads her English III class in this discussion. Seated: left to right are Sue Jenkins, RoseAnn Bergschneider, Vicki Bartholomeo and Pat Ainsworth. By studying American Literature, these students are introduced to some of America's most exciting people, both in the past and the present. Jan Moser stands for recitation.

Sister Helen Louise, C.S.J.O.

Sister Helen Louise, who has just completed her second year of instructions at Pius X, teaches classes in English II and III. Sister belongs to the order of the Sisters of St. Joseph of Orange. In addition to her teaching capacity, Sister is also the Records Clerk. Upon completion of her studies at the University of San Francisco and Loyola University of Los Angeles, Sister received her B.S. and M.A. degrees in English. Before her arrival on the scene at Pius X, Sister taught at St. Bernard's High in Eureka, California, and Rosary in San Diego, California.

Sister Jeannette C.S.J.O.

"Spare-time" is an almost unheard of phrase in Sister Jeannett'e vocabulary. She not only cares for her English, Journalism and Foods classes but she also is moderator of the Student Control Committee. Each year in the past, the students of Pius X have been wholeheartedly thankful to her, as another "fabulous" TIARA was published under her direction. This year, however, we are doubly thankful, for Sister is not only moderator of the TIARA again, but also of our school paper, the SWORD AND SHIELD.

Sister Jeannette, having attended Immaculate Heart College and Loyola University, received an M.A. in English and went on to teach in San Francisco and Mater Dei High School before coming to teach at Pius X, plus having taught at numerous grammar schools.

A typical day in a Journalism class finds: (front row) Peggy Horany, Val Mills and Veronica Barnes (who caught the eye of the camera) hard at work. As Sister Jeannette looks on, the more constructive part of the staff is as follows: Kathy Lenin, Doyle Patterson, John Bowermaster, Mike Jensen, Greg Baker, Mike Kyle, John Behl and Dale Hendrickson. These are only some of the very competent members of the SWORD & SHIELD Staff.

and Undying Light.

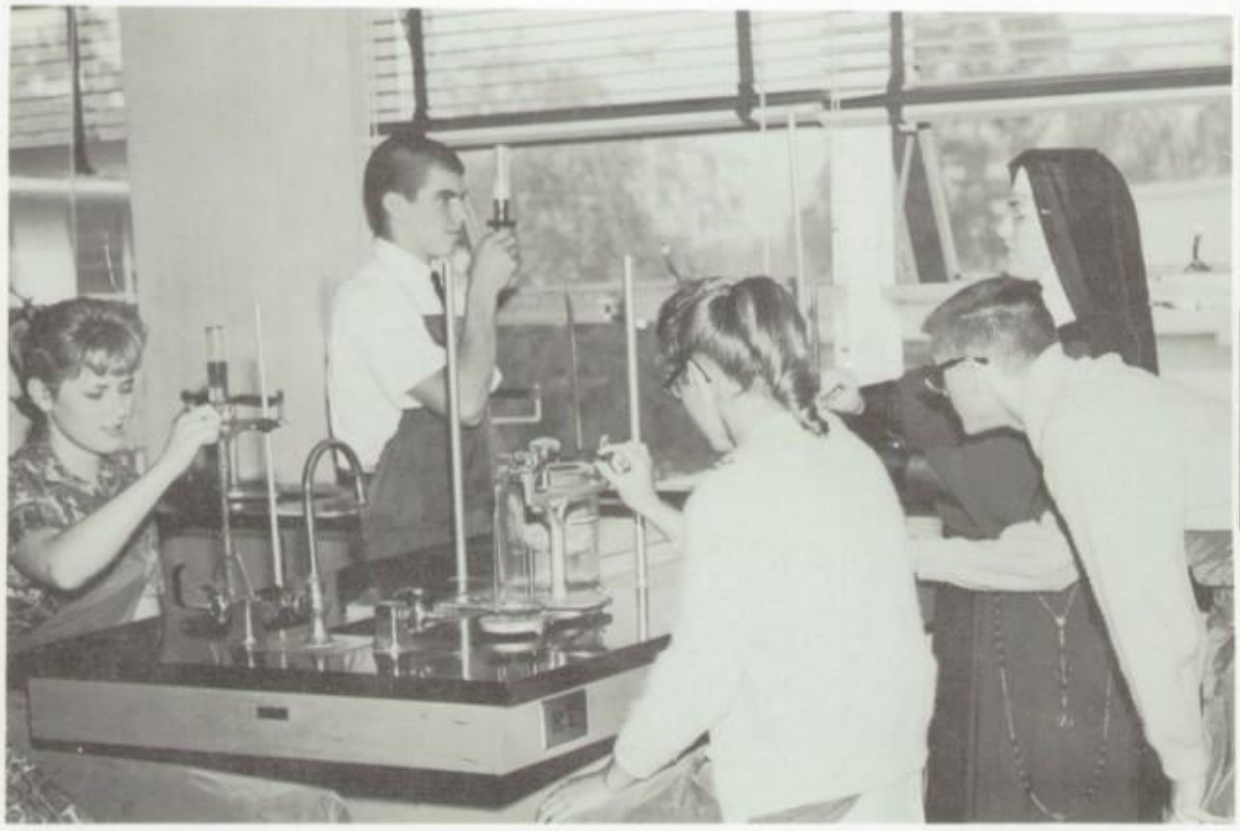
Sister John Gabriel busies herself with a Fine Arts schedule of Art I, II, III, IV classes. Here she supervises her industrious students, Susie Thompson, Sharon Virnig, and Barbara Tangeman who put to use their knowledge of lettering. In the background Jim Cascio inspects the day's accomplishments while John Thomas, Ronald Roque works busily in the corner.

Sister John Gabriel, C.S.J.O.

During her four years tenure at Pius X, Sister John Gabriel has endowed her students with a greater perspective towards art. Sister instructs classes in Art I, II, III, and IV.

Sister received her formal education at San Diego College for Women and Mount St. Mary's in Los Angeles. At these institutions Sister received her B.A. in English. Previously Sister has taught at N. D. V. in San Francisco, California, and Rosary in San Diego.

Sister John Mary assists Ted York who works on his lab experiment while Janice Moser works intently with a separatory funnel. We see Bill Jurewitz holding a graduated cylinder and Sue Patrick working with a triple beam balance. It may sound and look a bit difficult, but to these chemistry students it's just another simple experiment.



Sister John Mary, I.H.M.

A member of the California Institute of the Sisters of the Most Holy and Immaculate Heart of the Blessed Virgin Mary, Sister John Mary has been teaching Chemistry at Pius for two years. Before coming to Pius X she taught at Our Lady of Mercy High School, in Merced, and at Mary Star of the Sea High School in San Pedro.

Sister attended Immaculate Heart College in Los Angeles.

Science

Religion

Father Kramer points out and explains the words of the Pope convoking the Second Vatican Council to his Theology Seminar class. This theology class is a secondary Religion class which is completely voluntary. Paying close attention are Phil Hasenkamp, Jim Kozick, Ed Edwards, and Paul Bell. The fifth member of this all-senior class is Lynne Berry.

Father George Kramer

Residing at 10727 Downey Avenue, Downey, Father Kramer has taught at Pius X for four years, teaching Junior and Senior Religion, and also a class of Theology. According to Father, he belongs to the Order of Saint Peter. His job at Pius is chairman of the Religion Department.

Father attended the Catholic University of America, where he received an M.A. in Philosophy, and he received an M.S. in Education at Mount Saint Mary's. Before coming to Pius X he taught at Santa Clara High School, in Oxnard, where he was vice-principal.

His hobbies are music and photography. His interests in sports are centered around tennis and basketball.

Mrs. Virginia Lefebvre

A well known figure around Pius X High School, Mrs. Lefebvre, Girls' Physical Education teacher, commutes from Inglewood, where she lives with her husband Benny, a baseball coach. She has been a member of the faculty for eight years. Blessed with four children, one daughter and three sons, she is the grandmother of two. Her sons, Tip and Jim, who are twins, and Gil are all under contract to professional baseball organizations. Tip and Jim are members of the Dodger organization, while Gil plays for the Kansas City Athletics.

Although gym teaching is her main time consumer, Mrs. Lefebvre also moderates the Health Program, First Aid and Drivers' Education classes. After school hours she moderates the Drill Team, Yell and Song Leaders, and the Flag Twirlers.

Mrs. Lefebvre attended Los Angeles City College, U.S.C., and U.C.L.A. After graduating, she worked for the Los Angeles Recreation Center, and several areas of California. An avid sports fan, she enjoys golf and swimming as well as having such hobbies as wood carving, sewing, and knitting to keep her busy.

Sister Marie Patrice, C.S.C.

Sister Marie Patrice has completed her fourth year at Pius X. As a French and English teacher, she has worked in the language department for the past three years. Sister teaches English I and IV along with French I.

She is also moderator of the Dance Committee. When time allows, Sister indulges in painting, wood carving, Yoga and chess. Swimming assumes the number one role in Sister Marie Patrice's sports rating.

Previous schools that have had the privilege of hosting Sister Marie Patrice are Holy Cross High School and Mountain View.

One, two, three, four, down, and stretch. Mary Vanderslice, Pat Toney, Denise Loehr, Linda Bishop, and Vicki Moffett are put through their daily exercise in Mrs. Lefebvre's gym class Intent on keeping that trim look, the girls work hard and enjoy every moment.

Each Year

As anyone can see who visits France, the general populace—here Mary Ann Galea, Pat Densmore, Sister Marie Patrice, and Chris Geraghty—spend Sunday afternoons harassing the painter! In French I class this is Gary Robert.

Sister Marietta, S.S.N.D.

Sister Marietta is a School Sister of Notre Dame. During the course of her life, she has taught in many places, and to many people; the colored in Arkansas; the deaf at Morrero, Louisiana; and the Spanish and Indians in New Mexico. Before coming to Pius X, Sister has taught at such High Schools as St. Peter's, and St. Charles in Jefferson City, Missouri, Notre Dame High in Quincy, Illinois, and Redemptorist High which is in New Orleans, La.

Sister attended St. Louis University where she received a Bachelor of Arts Degree, St. Ambrose College in Davenport, Iowa where she qualified in Fine Arts, and Arkansas State Teachers College where she qualified in Industrial Arts, and at the same college she received a Master of Arts Degree.

Quite sure of his explanation of a compound-complex sentence, Dennis Hobart shares his knowledge with the other students of this Sophomore English class. Checking his accuracy is Sister Marietta.

Religion

Father McElroy displays and explains to his Religion II class such Sacred Vessels as: the Chalice, Paten, altar stone, burse and chalice veil. Listening attentively and helping in the display of these vessels are: Nancy Benes, Lynda Fox, Virginia Kastner, Pat Radley and Christine Smith. Learning about these vessels is not only interesting but also gives the student a better outlook on and a better understanding of the Mass.

Father McElroy

Father McElroy is the moderator of Freshman Boys Homeroom 220, and teaches classes in Religion II and IV. He has been teaching at Pius X for two years and resides at St. Emydius Parish where he helps with Parish duties. Father McElroy's favorite pastime is reading.

This scene reveals the extraordinary timing of this gym class in performing the "Jumping Jacks." Mr. McNary appears to be going along with the joke rather well, as Russ Neglia, David Livingston, and Nick Negretti, execute their techniques in gymnastics. Actually, this exercise is one of the most strenuous of them all. The coaches therefore always make sure that this trick is included in the daily exercise schedule.

Physical Education

Mr. McNary

Our Junior Varsity football team has seen him on the field and others have seen him in the school's halls, Mr. McNary teaches Biology to the Junior girls and teaches physical Education to the Freshman boys. At the present time Mr. McNary, his wife Jackie, and their 21 month old son, Scot, are residing in Pomona. Coach McNary is a graduate of Cal-Poly of Pomona. At Cal-Poly he acquired his B.S. in Physical Education. Before coming to Pius X Mr. McNary was an employee of Aerojet-General Aircraft in Azusa. As far as hobbies go he likes to hunt and fish. Being very sports minded he also enjoys football and track.

Music

Mr. John Mouzakis

Mr. Mouzakis has completed his second year at Pius X as director of our growing band. To add to merely directing the band he also has to arrange and set up practices to insure perfection. He has classes of general and instrumental music. Before coming to Pius X he graduated from U.C.L.A. in 1961 where he acquired his Bachelor's Degree in Music. Outside his avid interest in music Mr. Mouzakis enjoys photography and excels in swimming.

In a period of two years Mr. Mouzakis has helped tremendously in the accomplishments of making our Music Department the best we have ever had in the history of Pius X. Besides teaching Music I, Mr. Mouzakis is the director of our school band. He is seen here helping Richard Ames find the correct note!

Sister Rosa Mystica I.H.M.

Sister Rosa Mystica of the order of the Immaculate Heart Nuns, is moderator of Sophomore Girls Homeroom 227. Before coming to Pius X three years ago, Sister taught at Bishop Conaty High School and at Our Lady Queen of Angels High School. While in attendance at Immaculate Heart College, Sister Rosa Mystica obtained her B.A. degree and is an M.A. candidate.

Sister is kept busy this year, as the English Department Chairman and with her daily classes of English I, III, and IV. During her free hours Sister Rosa Mystica occupies her time with a variety of hobbies: Reading, Music, which includes records and piano; art, French, hiking and traveling.

English teacher, Sister Rosa Mystica, distributes paper back novels among five of her fifth period students, left to right: Lupe Sanchez, Jean Engel, Kathy Roche, Denise Johnston, and Barbara Asivido. All seem interested as they and Sister Rosa Mystica study the cover of Death Be Not Proud. The rack in the background displays much of the reading material consumed by the Pius X English classes.

English

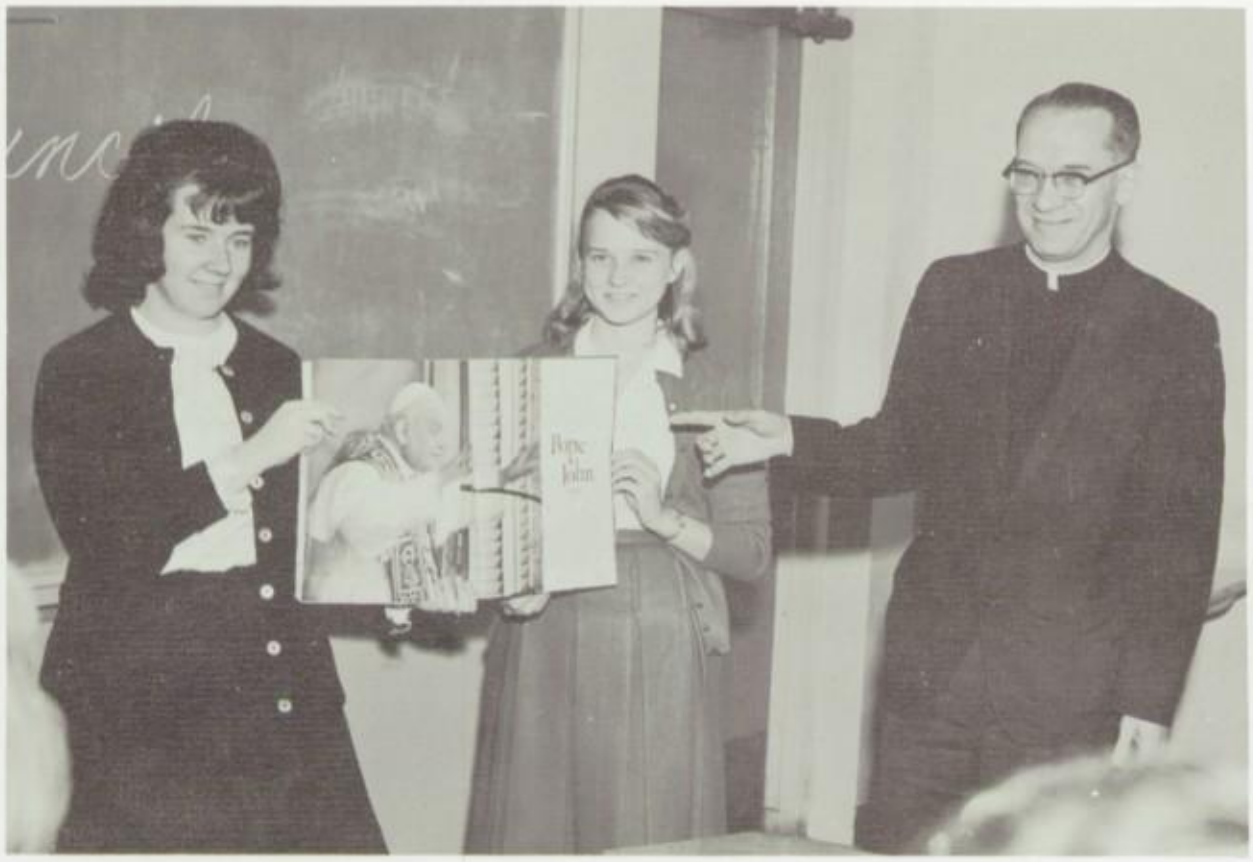
Mr. Clayton Meyer

Mr. Meyer, efficient, practical and untiring director of Dramatics is also teaching English II and III in his sixth year at Pius X. This being the fourth year he has taught Drama, Mr. Meyer is presently Drama Club advisor and has in past years been moderator of the school paper, the SWORD AND SHIELD, C.S.F. and Junior Class advisor.

Mr. Meyer having attended St. Edwards University in Texas, where he received his B.A. in English, went on to work for a number of business firms before becoming a teacher.

Because of his love for music and reading, he has an evergrowing record and book library which includes nearly 1000 books. Although Mr. Meyer does not take an active part in any particular sport, he is an avid spectator of Pius X teams.

Drama is a subject in which students may create. Here Mr. Meyer looks on as two of his students Dave Rudderow and Carol Frascella create the mood to be maintained throughout the reading of their parts. Kathy Hawkins and Steve Procknow are the interested students in foreground.



Father Maurice, O.R.S.A.

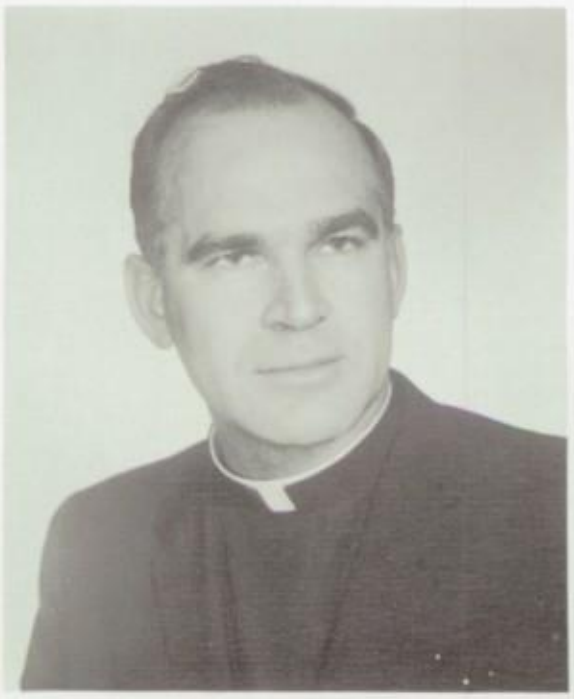
Reverend Maurice Krautkremer is a member of the Augustinian Recollect Order. Father is teaching two classes each of Religion I, II and III, and also is moderator of Junior Boys' Homeroom 212.

Father Maurice has attended St. Augustine Seminary in Kansas City, Kansas. He has become quite experienced in doing Parish work and was a Religion teacher at Hayden High School in Topeka, Kansas.

Although Father favors no particular sport, he enlists reading as his chief hobby which he enjoys greatly.

Father Maurice answers a question directed to him by one of the students outside the picture. Kathy Leinen and Cheryl Swan hold a photography of Pope John XXIII, while Father Maurice points at the picture, an edition Life Magazine. This picture fits in with the study of the Ecummenical Council, which the class has been studying. This third year Religion class compares the Council of Trent with the modern day Ecummunical Council in Rome.

Religion



Father Williams

Father Williams a former Pius X teacher for seven years, has returned to teach here again. This year Father is teaching Religion I, II , and IV. For the first time at Pius X he is Sophomore class moderator.

Father Williams attended St. John's Seminary and is now a parish priest at St. Bernard's Church in Bellflower, California. Before coming to Pius X this year he had been Vice-Principal at Pater Noster High School in Los Angeles.

When Father is not busy teaching or correcting papers of the students, he likes to go fishing and hunting. Though it is hard for him to get away to do so, he occasionally gets in a game of golf, or tries to take a dip in a pool.

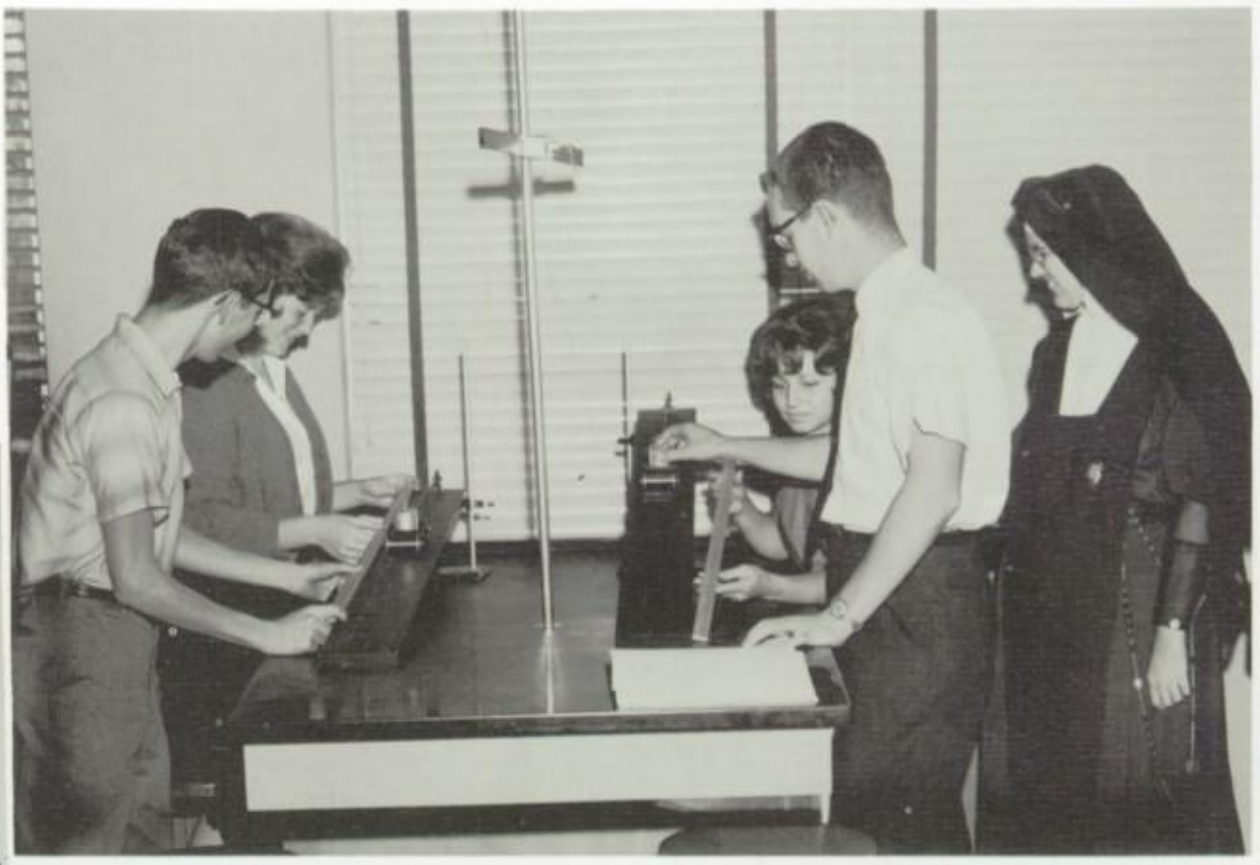
The photographer distracted Linda Creager, Sue Hawkins, Marilyn Gessig, Joyce Huffman, Kathy Roche, and Mary Kay Sutko from a Religion IV test administered by Father Williams. Not so Janed Crane, who must write quickly to catch elusive inspiration.

Sister Nadine I.H.M.

Sister Nadine, of the Sisters of the Immaculate Heart of Mary, is on our ever growing faculty list here at Pius X. She comes to us after teaching at St. Bernadine High School for five years.

Sister is now teaching Advanced Geometry, Algebra II and Physics to Pius X students. Having attended two very fine schools, Immaculate Heart College and the University of California at Berkeley, Sister Nadine received her B.A.

During her spare time, Sister Nadine occupies herself with art, especially mosaics, knitting, stamp-collecting, music, studying ecological aspects of oceanography, studying lichens found in the San Bernadino Mountains, and microphotography. Sister also enjoys such sports as, hiking, swimming, baseball, basketball, and volleyball in season.



Shari Pieczarka, Janice Churchill, Peter Thiesinger, and Tom Hynes master an experiment showing the mechanical advantage and efficiency of the inclined plane. Sister Nadine proudly looks on, assured of accuracy on every point.

Students Look

Mr. Garry Norvell

The Physical Education department has gained an instructor in the person of Garry Norvell. Mr. Norvell travels to Pius X each day from San Dimas where he resides on the Campus of Cal-Poly with his wife, Sarah, and two daughters, Kimberly—age 2½, and Dianna—age 18 months.

After attending Modesto Junior College and North Carolina State College, Mr. Norvell received his Bachelor of Science Degree at California Poly-technical College. Previous to teaching at Pius X, he taught at Webb School for Boys in California.

Here at Pius X, in addition to being a physical education instructor, Mr. Norvell teaches Basic Biology, Advanced Biology Lab, and is end coach for the Varsity football team. As sports are his favorite hobby, it would naturally follow that football is his favorite sport.

Getting ready for the "go" signal from Mr. Norvell, Larry Nuanez demonstrates while Steve Tannor and Jim Sanceri look on. Getting the boys in good physical shape is only part of the job given to Mr. Norvell.

"Teach them to speak on their feet and to be leaders among men." This, Father O'Brien attempts as he hears many speeches throughout the day. John Randal presents his views to his classmates of a third period Speech Class.

Father George O'Brien, now residing at St. Gregory the Great Parish in Whittier, is teaching Religion I and five speech classes as well as being moderator of Freshmen Boys Homeroom 110.

Father has attended St. John's Seminary and Loyola University and has done parish work at St. Louis of France Parish in Bassett.
During what few leisure hours Father has, being a parish priest as well as a teacher, he enjoys music and debating. The sports he favors most are hiking and swimming.

to the Faculty

Tim Weaver points out the newly acquired aquarium to fellow students Dan Carlberg, Bob Baesemann and Dale Hendrickson under the watchful eye of Mr. O'Connor.

Mr. James O'Connor is the only faculty member who has remained with Pius X High School for 10 years. Born in Meloose, Iowa on October 24, 1914, he was one of 13 children of Pat and Kate O'Connor. At Drake University he obtained his Bachelor of Science degree, and went on to Iowa University for his Master of Arts degree. While attending Iowa University, he received a fellowship in the summer of 1951. Mr. O'Connor then started his teaching career at Saint Ambrose College in Davenport, Iowa. He remained there for 11 years, teaching and coaching basketball. In 1953 he moved to California where he began teaching at Pius X before the school was completed.

Mrs. Pappe

Being a devoted mother and a good teacher, these are professions which many people could not fulfill in one lifetime. Yet, Mrs. Pappe seems to be able to do each well. As the mother of three grown children she has a full and busy schedule. Here at Pius, Mrs. Pappe teaches two homemaking subjects —food and sewing. She is also moderator at a Study Hall.

Before coming to Pius X two years ago, Mrs. Pappe did demonstration work at the Meat Co. and Food Broker in Los Angeles.

Let's hope that the girls being taught by Mrs. Pappe now become just as good homemakers and mothers as she is!

Mrs. Pappe teaches her food classes how to be "The Perfect Hostess." They learn the proper way to host guests for dinner, and find that there is no better way to gain the experience of planning and serving attractive and well-balanced meals than to practice on their fellow students!

Seated are Petra Gonzalo, Pat McCarty, Cathy Melby and Kathy Roth; who were selected to taste this tempting banquet served to them by Barbara Kelly, Jackie Cronin, Cheryl Beveridge and Ann Marie Bartczak.

Sr. Mary Patrica, D.M.J.

Sister Mary Patrica, of the order of the Daughters of Mary and Joseph, has been a member of the Faculty for four years. This year sister is teaching French II, III, and IV, is moderator of Homeroom 127, as well as moderator of the Pius X French Club.

Sister Mary Patrica has done a great deal of traveling during her years of teaching. Sister has seen major portions of Europe and much of the western coast of the United States in pursuit of her teaching duties. She taught French, Math and English in the High Schools of Croydon and Leicester, England. Sister has also instructed High School Pupils in Brussels, Belgium.

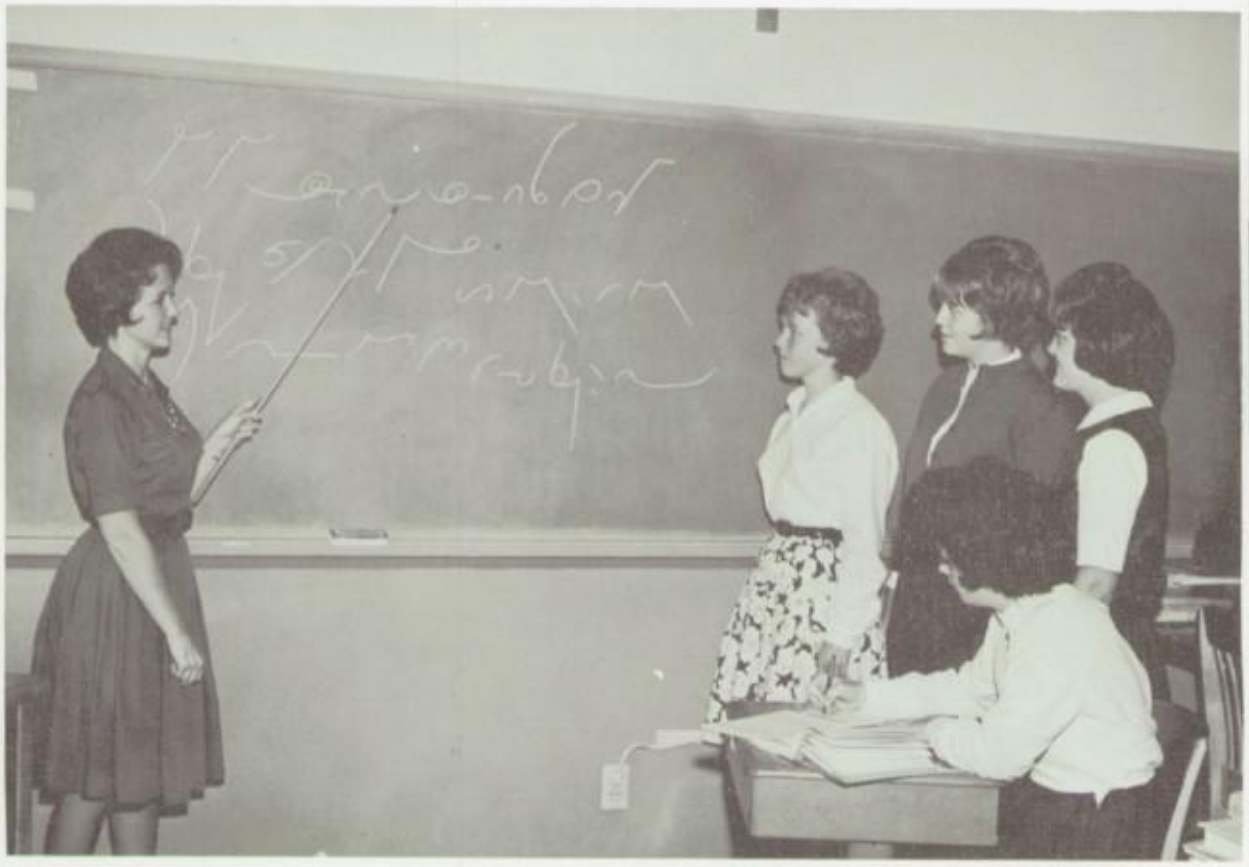
Besides teaching high school, Sister has had the fortunate experience of teaching in several Grammar Schools throughout California; Culver City, Westwood, San Francisco, Mill Valley, and Los Angeles.

Sister's hobbies include reading and gardening, both of which she enjoys greatly. Sister travels to Pius X daily from Our Lady of the Rosary Parish in Paramount.

For Unwavering Confidence

Watching Janet Wieland trace the course of the River Seine to Paris is Kathy Minnick, a second year French student. Sister Patricia and her students are about to sing "La Seine" a song praising the famous river.

Mrs. Martin Burke briefs her shorthand students, Kathy Hart, Carol Colpo and Judy Truelove, on the reading of shorthand outlines. Seated is Laurie Child, who earnestly is taking down dictation. Mrs. Burke, the competent teacher of shorthand and Business Machines, hopes to prepare her students for a future career in the business world.



Mrs. Martin Burke

Mrs. Martin Burke, formerly Miss Potter was married to Martin L. Burke on November 17, 1962 during the past school year. She now resides with her husband in Downey.

Mrs. Martin Burke, in her second year of teaching at Pius X, teaches all business subjects: Shorthand I, II and Clerical Practice.

She attended Immaculate Heart College and received her B.C. in Business Administration. Mrs. Martin Burke has previously taught at Hollywood High and also worked as an Executive Secretary for an engineering firm.

Mrs. Martin Burke's interests away from school include sewing, reading and piano.

and Guidance

Beautifully displayed are the costumes of the old Spanish countries, by members of Sister Rosaria's Spanish class. From left to right they are: Mary Bernal, Kim Keeney, Regina Camarilla, Duye Stalker, Karen Mullins and Louren Correa.
With a full day's schedule of Spanish I and II , Sister Rosaria is kept quite busy. Es verdad?

Sister M. Rosaria C.S.J.O.

Sister M. Rosaria is a pioneer of the Pius X faculty. Sister has been teaching at Pius X for three years but is a pioneer member of the faculty. She was at Pius X when it first opened in 1953, but left two years later. She made her "homecoming" in 1961, teaching Spanish. She attended San Francisco College for Women and graduated from Mount St. Mary's in Los Angeles. Sister also attended the Catholic University extension in San Rafael for her graduate study. She taught in many grammar schools and numerous high schools. As hobbies she tries "to catch up with my work in this mad age of speed." She also professes to be a basketball fan.

Sister Therese Martin, D.M.J.

Oddly enough the favorite pastime of Pius X's music director is music. Although she rarely has time enough to pursue this art, Sister Therese Martin also enjoys making mosaics, reading, walking, and gardening. Along with being moderator of Junior girls homeroom 125, she also teaches piano and Music I. Sister is the director of the Freshman Girls' Glee, the Caecelians, Girls' Senior Glee, and Sarton Chorus. She also finds time to conduct the equally worthy Madrigal Singers.

Sister Therese Martin, having lived in various parts of the United States, has previously traveled throughout Europe.

She travels to Pius X daily from Our Lady of the Rosary, Paramount, convent of the D.M.J.'s.

Practicing various folk songs for a busy year ahead are Barbara Maynard, Judy Truelove, Judy D'Onofrio, Joanne Smith, Kathy McHugh, Judy Coppersmith, and Sue Hawkins, members of the Girls' Senior Glee Club, accompanied by Sister Therese Martin.

Mrs. John Dufour

The most recent addition to the Pius X faculty is Mrs. Dufour. She arrived shortly before First Semester came to a close to fill Sr. Martha Magdaline's place, who had to discontinue teaching. Mrs. Dufour's duties include instructing Freshmen, Sophomores, Juniors and Seniors in the proper use of the English language — a full time job.

A graduate of the University of Southern California—cum laude—and upon completing a year's graduate work there, she began her teaching career at Tustin Union High School, in Orange County.

Her hobbies include photography, writing, poetry, and cooking. She also excels in tennis, swimming, sailing, and hiking.

Mrs. Dufour leads her 6th period Sophomore English class through the world of literature. She is explaining to the class excerpts from JULIUS CAESAR.

The Sophomore girls in Sister Celestine's class look intent upon learning the knowledge that Sister tries to impart to them. Some of the girls look sure of themselves in regard to the answers; but then others look quite puzzled. Let's hope each girl knows all the right angles.

Sister Celestine, in her four year tenure at Pius X has devoted the duration instructing Sophomores in the intricacies of Geometry. Sister's scope of instructions in previous years included English, but this year was devoted to Geometry of which she has three girls' classes and two boys' classes. In addition Sister is also the proctor of a study hall.
Los Angeles, Long Beach, San Pedro, San Bernardino, Hollywood and Merced are some of the numerous places where Sister Celestine has lived and taught.

Many appreciative thanks go to Miss Peggy Boland and Mrs. Robataille who work in the Administration office. Their skillfulness in the office makes for an efficient and well-organized school.

For many students at Pius X, lunch is probably the most well-liked "class" of the day. The cheerful women who make this period so enjoyable and refreshing deserve a hand for their excellent work. They are Eva Burns, Marion Gentry, Helen Ducharme, Helen Renaldo, and Charlotte Garcia.

The fine variety of food offered in the cafeteria has earned praise from many a hungry student. While hot lunches are available for all, tempting snacks are also sold for those who bring their lunch. Under the capable supervision of Mrs. Renaldo who hails from St. Helen's parish these ladies are always ready for "Service with a smile."

People behind the scenes are very rarely given credit or a friendly "Thank You" for the time and trouble they take in performing their duties. Mrs. Rodden and Mrs. Goldrick are two such people. Responsible for the provision of nutritionally balanced meals, they work constantly to maintain a varied menu and a clean dining room for the faculty.

Under the care and work of our faithful custodians, the students of Pius X High School can well be proud of the appearanc eof their school. Pictured here are four familiar faces: Mr. Wilson, Mr. Poindexter, Mr. Englund and Mr. Carroll, who all try to outshine Mr. Clean.

Pius X Victorious

The 1962 version of the Pius X Warriors rebounded from an unsuccessful year with an exciting come-from-behind victory over the Cantwell Cardinals on the Pius X field by a 20-14 score. Mike Duffy initiated the scoring by going 32 yards up the middle for the score. Bill Sweeney then added the first of his conversions. In the second quarter the Cardinals countered with two touchdowns to take a 14-7 lead at the half. After some stirring halftime talks, the Warriors took the field in the second half with renewed determination. The two teams held each other in check for most of the third quarter. Then, on a sustained drive Cantwell moved the ball to the Warriors' 20-yard line. Then came the turning point of the game, as Chano Camarillo intercepted a Cantwell pass on the 15-yard line, and scampered untouched for the score, to the delight of some 2,400 spectators. Sweeney converted for the extra point. With a little over two minutes remaining Paul Shaheen intercepted a Cardinal aerial on the 33-yard line. A 21-yard pass to the split-end, Jim Montoya, put it on the 12. Shaheen then carried to the one yard line. From there Ron Rodriguez sneaked over for the go-ahead touchdown. Sweeney's conversion made the final score 21-14.

Pius Romps Over Rams

Highly favored South Gate High School came across town only to be crushed by the mighty Pius X Warriors, 21-0. It was just a case of too much Warriors. South Gate's offense just couldn't get going as the Warriors utilized fierce gang tackling to keep the Rams at bay. The defensive line led by Dan Carlberg, Art Merrick, Jim Nagel, and Rich Majchrzak punished South Gate backs all evening. While the Rams were being stopped, the Warrior offense was in high gear. In the opening period, Chano Camarillo raced 10 yards for the score. Sweeney's conversion put Pius X ahead 7-0. Then Tom Romash completely fooled the Ram defenses as he went 32 yards on a quarterback rollout. Mike Sweeney's conversion put Pius X ahead 14-0 at the half. After a scoreless third, quarterback Tom Romash, this time, passed 55 yards to the split end, Jim Montoya, who scored untouched. Sweeney's conversion made the final score 21-0.

Warriors Fall to Cubs

In the opening game of Catholic League play, the Warriors met the Cubs of Loyola led by tailback Steve Grady in a game which would decide the champion. The Cubs jumped off to a quick 12-0 lead as tailback Grady went to the aerial route and passed for two touchdowns. Then the Warriors held the Cubs deep in Loyola territory. On fourth down, Loyola punted from its own end zone and it was blocked for a safety. Pius X then moved 51 yards for their only touchdown as Shaheen went in from 4 yards out. The kick was wide and Loyola led at the half 12-8. Controlling the ball almost the entire third period, the Cubs marched deep into Pius X territory when the quarter ended. Grady scored early in the final period and with the conversion, Loyola led 19-8. Passing deep in his own territory, Tom Romash was tackled for a safety, to make the score 21-8. Unable to move the ball, the Warriors went down to their first defeat.

Warriors Defeat Knights

The Warriors came up with their third victory of the season and first league win by downing the Notre Dame Knights, 7-6, in their second league game of the season, at Notre Dame. It was a hard fought, team victory for the Warriors, in a game which saw the defense outshine the offense in the first three quarters. In the half, quarterback Tom Romash of Pius was hit so hard that he fumbled deep inside Notre Dame territory to stop the Warriors big drive. The two big plays of the first half were a 33-yard scamper by Ray Lomont and a 45-yard run by Paul Shaheen. The game was scoreless into the last quarter when Notre Dame started a drive on the Warriors' 45-yard line. A 15-yard penalty against Pius gave them the break they needed on a fourth down play and the Knights kept up the momentum to score on a 10-yard run by Bill Bazad, with 7:49 left in the game. The extra point attempt failed. Notre Dame kicked off to Paul Shaheen who ran the ball back to the Pius' 39-yard line. A 50-yard pass play from Romash to end Jim "Vada" Montoya put the ball on the 11-yard line of the Knights and on the very next play Chano Camarillo ran the ball over right end for the touchdown. Bill Sweeney came through again to kick the ball over the goalposts and make the score 7-6 in favor of the Warriors.

Around end goes Paul Shaheen for big gain against Notre Dame.

Warriors Nip Carmel

Playing the only Saturday night game of the year, Pius edged Mt. Carmel 14-12 on the Warrior field. The game was marked by the explosive runs of Warrior backs, Chano Camarillo and Paul Shaheen, plus the pinpoint passing of Crusader quarterback Phil Pomeroy. Outstanding defensive play and missed opportunities highlighted the first half play. On the whole, the Warriors were out-performed, being limited to three first downs. However, the Warriors came through when the need was greatest as they have all season. On the first play from scrimmage, Ron Rodriguez fumbled and Carmel recovered deep in Pius territory. At this point, however, the Crusaders surrendered on downs. The Warriors made a brief threat in the second period when Paul Shaheen raced into Carmel territory on a fake punt. Again, Mt. Carmel threatened. This time the Crusaders marched from their own 25 yard line deep into Pius territory. However, the formidable front wall of the Warriors defense stopped Carmel's fourth down attempt on the one foot line, and the game remained scoreless at the half. The game remained scoreless until, with 5:29 to go, Chano Camarillo took a pitch out, cut for the sideline and scampered 83 yards for the score. Sweeny's all-important conversion was good and Pius held 7-0 lead. Carmel came right back to score on the throwing arm of quarterback Phil Pomeroy who hit end George Johnson with a 27 yard touchdown pass. Again the Warriors struck quickly as Paul Shaheen bolted through the Carmel line for 67 yards and the Warriors second touchdown. Sweeny's second PAT was good and with 21 seconds remaining in the 3rd period Pius led 14-6. Relying again on Pomeroy's throwing arm, Carmel moved 65 yards in ten plays for their second touchdown, with Leonard Talmo crashing over from 4 yards out for the score. With the time running out Pius was forced to punt to Carmel, but an offside penalty on Carmel gave the Warriors a first down when the clock ran out.

Pius Stopped by Cavaliers

Still in the running for the league title, Pius engaged Serra in a high scoring battle only to fall by a score of 33-25. The Cavaliers jumped off to the first touchdown on a 60 yard pass and lateral play with Dave Nelson scoring the touchdown. The Warriors came back to tie the score as hard-running Paul Shaheen bulled his way over a host of Serra tacklers en route to a 38 yard touchdown run. The conversion was no good and the score remained 6-6. Shortly before the end of the first half, the Serra Cavaliers moved in for the go-ahead touchdown and the conversion was good, giving the Cavaliers a 13-6 lead at halftime. The Warriors came right back in the second half as Paul Shaheen capped a long drive with a 4 yard plunge to pull the Warriors within one point. Sweeney's conversion tied it at 13-13. Following the kick-off, Serra moved ahead quickly on a 47 yard touchdown pass but the conversion was bad and the score was 19-13. The kick-off was returned by Pius to our 45. Two plays later, Chano Camarillo raced 52 yards to bring the Warriors even. Serra rebounded by scoring two touchdowns—one on a deflected pass and another on a 24 yard pass. Not to be outdone, the Warriors came right back on Paul Shaheen's 68 yard gallop, but the conversion was no good. However, the Warriors' comeback bid fell short as the gun sounded with Pius X trailing 33-25.

Warriors Rally; Defeat Saints 20-19

The Pius X Warriors came from the depths of defeat by scoring two fourth quarter touchdowns to defeat arch rival Saint Anthony 20-19. The Warriors turned an apparent Saint runaway into a thrilling victory. The outcome was not certain until after the final gun sounded. The Warriors appeared headed for a rout when they moved 75 yards for a touchdown the first time they had the ball. A 24 yard pass to flanker Mike Duffy was one of the highlights of the drive. Chano Camarillo climaxed the drive by sprinting 10 yards around the end for the score. Sweeney's conversion was wide. The Saints came right back after the kick-off to march 66 yards for the tying touchdown. Arbolt plunged over from 2 yards out for the score. Verdun's extra point was wide. With time running out in the first half, the Saints moved 80 yards for their second score as Jensen plunged over from 1 yard out. Verdun's extra point gave the Saints a 13-6 lead at the half. The Saints appeared to put the game out of reach as they raced 63 yards for their third touchdown, at the outset of the second half. The conversion attempt was blocked by Martin Chokany. With the Warriors trailing 19-6 going into the final period, Pius engineered a drive of 78 yards, as Shaheen scored from 11 yards out. Sweeney's all important conversion made the score 19-13. After an unsuccessful attempt to recover an offsides kick by Pius the Saints obligingly fumbled the first play from scrimmage. Dan Carlberg recovered for the Warriors and they drove from midfield for their final tally. Paul Shaheen again scored the touchdown, this time from 37 yards out. Sweeney's kick with Jim Montoya holding put Pius ahead 20-19. The Saints almost pulled it out of the bag on a 36 yard field goal on the last play of the game, but the Warriors comeback was not to be denied as the kick sailed wide by inches.

Pius X Mauls St. Bernards

In a non-league tilt the Pius X Warriors hosted St. Bernard's High from Playa Del Rey in preparation for our Homecoming Game. It took the Warriors only two plays to hit the scoreboard as Paul Shaheen scored from 62 yards out to stun the Vikings. Sweeney's conversion with Jim Montoya holding was good. Pius led 7-0. St. Bernard's offense failed to move against the Warriors defense and Pius X took over again after a punt. On a sustained drive the Warriors moved the ball to the Viking 7. From there Ray Lomont took it over for the Warriors second touchdown. Again Sweeney's conversion was good and with Pius using mainly reserves, it remained 14-0 at the half. The Vikings scored their only touchdown in the third period to move within 7 points of the Warriors. The Warrior defense caught in the scoring act by throwing the Viking quarterback for a safety to make it 16-7. The Warriors culminated the scoring in the final period as Paul Shaheen scored from the 12 to secure a 22-7 victory.

Warriors Edged In Homecoming 13-7

The Cathedral Phantoms did the best they could to spoil the Pius X Homecoming by registering a tense 13-7 victory over the Warriors. Paced by running of jackrabbit Ulysses Allen the Phantoms dropped the Warriors into third place in the final standing. Allen got the Phantoms off to the lead as the speedy halfback raced 42 yards past the stunned Warrior defense. Highlighted by the runs of "Mr. Outside," Chano Camarillo, and "Mr. Inside," Paul Shaheen, the Warriors came right back in the second period. Paul Shaheen did the scoring with a 19 yard burst up the middle. Sweeney's conversion tied the score at 7-7. Playing a strong defensive game the Warriors grudgingly gave yardage to Cathedral's speedy backs. But the Phantoms scored again in the third quarter on a 2 yard run. The conversion was wide and Cathedral held a 13-7. The game ended before Pius could score the tying touchdown.

Warriors Wrap-up

Indeed, there are no other more deserving of congratulations than the Pius X High School Varsity Warriors of the hardwood. For the second consecutive year, the mighty hoopsters captured the Catholic League Championship, and went on to the California Inter-scholastic Federation, Class AAA, Southern Section Playoffs. The members of the team: Errol Mathieu, Jim LaCour, Dean Donnellon, Rick Adelman, Tom Budds, Dick Zembal, Bill Lawrence, Bruce Blomdahl, Bob Martin, Henry Moore, Mike Carroll, and Ron Novak; are all fine players and highly worthy of the honor merited by their accomplishments.

At the beginning of the 1962-1963 basketball season, the Warriors were highly under-rated. This was tabbed as a rebuilding year, and a year in which the team wouldn't go anywhere, mainly because of only two returning lettermen, one of whom was the only Senior on the squad, Errol Mathieu. Under his capable leadership as unanimously elected Captain, the team proceeded to slowly refute their highly mistaken press clippings. They started off the practice season with a win over the Faculty and St. John Bosco, a loss to St. Bernard, and then a seven game winning streak, which was concluded by a loss to Norwalk in the Compton Tournament, the game which marked the end of the practice tilts. During these encounters, the Warriors knocked off such teams as Warren, La Mirada, and Jordan; and took 1st Place in the Paramount Tourney.

However, the big test was yet to come—the tough Catholic League. Behind the one, two, three scoring punch of LaCour, Mathieu, and Donnellon, the team proceeded to burn up the league with a 10-2 record. The calm, brilliantly capable play of Coach Jim O'Connor's boys baffled the opposition. Their record was marred only by a loss to Mt. Carmel, 77-70, and a close victory by Notre Dame, 64-63. Two of the highlights of the season were when the hardwooders met and defeated twice, their traditional rivals, the St. Anthony Saints, by the scores of 38-33, and in overtime, 59-57. Finally, the league title was cinched by a game in which Pius walloped top-rated Loyola, for the second time, by the score of 65-46. Then the team moved on to the C.I.F. Playoffs, adding Monrovia, 60-56, Mayfair, 56-55, and San Bernardino, 85-52, to the long list of victims. However the Warriors were finally touched by the tension, and lost to Compton in the semi-finals, 64-49, after which they bounced back to beat West Covina, 69-52, and capture 3rd place in the C.I.F. and a happy ending to a fabulous season, with the overall record of 23 wins and 5 losses.

Special tribute goes to three members of the team: Errol Mathieu, Captain, sole Senior, 3rd leading scorer, and 1st team All Catholic; Jim LaCour, leading scorer and Most Valuable Player of the Catholic League; and Dean Donnellon, third member of the scoring punch and member of the C.I.F. Tournament Team. Congratulations also to Coach Jim O'Connor, who welded the boys into one of the most well-balanced teams in Southern California, and who, for the second year in a row was Coach of the Catholic League Champions.

Warriors Edge Mayfair

Trailing throughout the entire game, Pius X rallied in the waning moments to edge Mayfair, 56-55. The Warriors managed to get close at various times throughout the contest, but scoring lapses hindered the Warriors' efforts. However, with 1:40 remaining in the game and trailing by six, the Warriors made their late bid for the lead. Led by Errol Mathieu and Rick Adelman, the Warriors scored twice and moved to within one point. Then Jim LaCour of the Warriors sank two free throws to put the Warriors ahead, but Mayfair came back to score. With 18 seconds remaining Rick Adelman sank a jump shot to put Piux X ahead for good, 56-55.

Led by Dean Donnellon with 23 points and Senior Errol Mathieu with 17, the Warriors scored time and again to register an 85-52. Down by five, 13-8, in the early going Pius X finally took the lead 18-17 at the end of the first quarter. After that there was no stopping the Warriors who poured it on till the final buzzer.

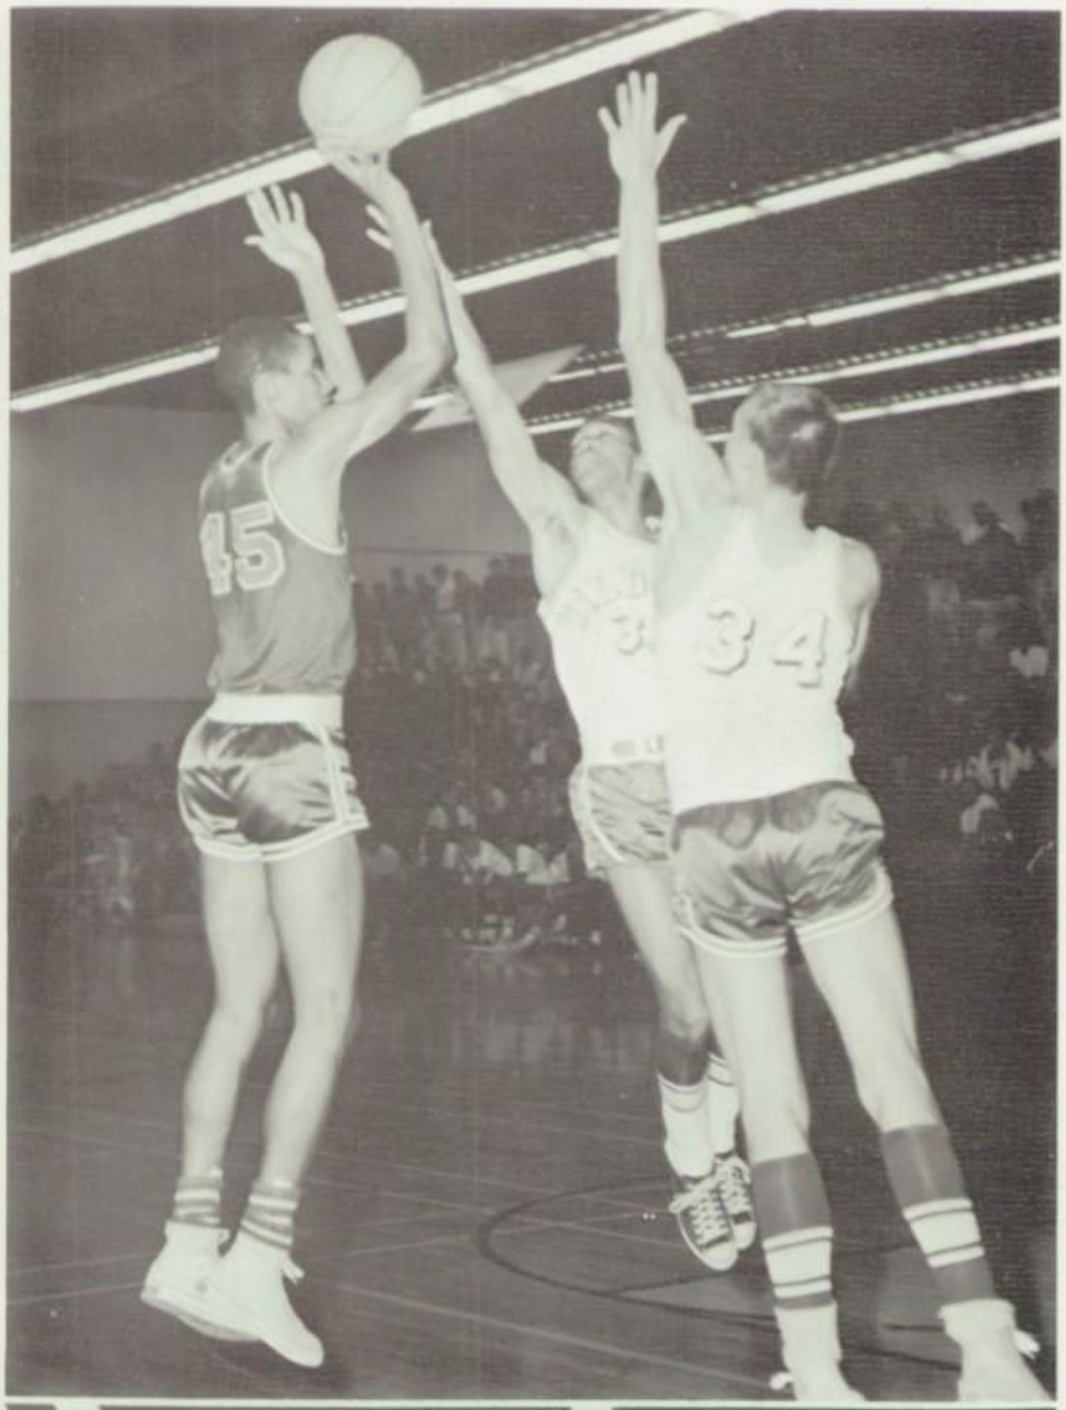
"Big Errol" Mathieu

One of the main cogs in the Pius X Warrior Basketball team this year was senior forward Errol Mathieu. In his initial year as a starter, Errol provided the Warriors with five rebounding and deadly shooting from his forward position. For his outstanding efforts in Catholic League play, Errol was chosen on the All-Catholic first string. His great ability and leadership resulted in his selection as team captain. In a year intended for rebuilding, "Big Errol" brought the Warriors to the doorstep of the C.I.F. basketball championship. In his final game as a Pius X Warrior, Errol responded with 22 points in a winning effort against West Covina, 69-52, for third place in the C.I.F. On and off the court, Errol represented the finest qualities of Pius X basketball player.



Jim LaCour

Playing his second year of varsity basketball, big Jim LaCour was instrumental in leading the Warriors through a successful campaign. At 6'6" Jim provided the Warriors with rebounding and a big scoring punch. Against Serra High School Jim scored 27 points in a winning effort against the Cavaliers. For his outstanding performances throughout the year, Jim received numerous honors. Besides being named to the All-Catholic League first team, Jim was also voted the league's Most Valuable Player. Jim's fine play then carried on into the C.I.F playoffs, where he scored 19 points in the final game against West Covina. Culminating Jim's honors was his selection to the C.I.F. second team. With one year remaining for Jim, his future, and that of the Warrior basketball team, appears to be headed only one way, and that is up!

JUNIOR VARSITY LEAGUE RECORD 10-2

The 1962-63 basketball season was a year of firsts. Not only did the varsity take first in the Catholic League, but the J.V.'s also took first place in the league. This was the first time in the history of Pius that the Jay Vees also took the Championship. Under the excellent coaching of Mr. Ray Heideman, the team was undefeated in their practice games, and under the leadership of the co-captains, John Sutko and Tom Dorsey, they proceeded to burn up the league with a record of 10 wins and 2 losses, identical to that of the varsity, losing only to Notre Dame and Mt. Carmel. Congratulations to Coach Heideman for his work with the J.V.'s which brought a championship, and also to John Sutko, Most Valuable Player; and Mark Martini and George Iverson, who were elected Most Improved players on the team.

After the final games are over, one homeroom reigns as tops. The boys' homerooms participate in intramural activity, also. Golfing is one of the most relaxing outdoor sports available today. Men, women, boys, and girls all have an opportunity to enjoy this easy-going sport. Besides being relaxing, golf is a very stimulating and healthy sport. Just by being out in the sun for the length of time it takes to shoot 18 holes, a person can be done more good than if he stayed in the house and took a bottle of vitamins. The Pius X girls' gym classes put the girls to some healthy recreation by allowing them to take a few practice swings.

Pius X Archers get in some practice.

Archery is fast becoming, once again, a popular sport. In the Pius X's girls' gym classes, Senior girls learn about bows and arrows and the proper handling of them. They learn the method of bow insert and release. After the girls learn to use the sporting equipment correctly, they are ready to put their knowledge to use. Ofter during the day, the Senior girls can be seen "shooting" their gym classes away. Ouch!!!!

One - And - Two - and

Each year, during the gym classes, girls from all four classes keep in shape by doing simple calisthenics. In the pictures at left and right, Freshman and Junior girls work to retain that slim waistline. At the end of a given time, the girls are weighed, measured, and recorded to see how much good was accomplished.

Drivers' Education

Each year, the Sophomores look forward to the Drivers' Training course they will receive. Drivers' Education consists not only of reading rule books and text books, but also of actual driving. Mrs. Caldero, Drivers' Education instructor, has to suffer through taking out the whole class of Sophomore girls as they gain confidence behind the wheel. Below, Mrs. Caldero instructs three girls about the different parts of the car, their use and the proper way to handle them. Drivers' Education has become one of the most necessary and required courses in schools all over the country.

Monica Adelman, Rosie Bernal, Linda Collins, Yvonne Homertgen, and Linda Sigler, Homecoming Queen Candidates, anxiously await the announcement of Judy Edwards Successor as Homecoming Queen.

This is the longest walk in Yvonne's life but her escort, Dennis Keller, lends moral support.

Rosie Bernal, Homecoming Queen contender flanked by the flag twirlers guard of honor, walks to the platform with her escort, Don Silva.

Our Queen of '63 is announced! Yvonne crys for joy as Princesses Linda Sigler, Linda Collins, Rosie Bernal, and Monica Adelman applaud the winner.

One of the most important men at Homecoming halftime was Mark Jeffrey the royal crown bearer.

Linda Collins is being escorted by John Hoffman to await the announcement of the queen.

At last Queen Yvonne breathlessly receives her crown from Judy Edwards, Homecoming Queen of '62 while Father Cranham watches on.

Queen Yvonne Homertgen gayly smiles for cameraman with Master of Ceremonies John Bowermaster.

Lovely Judy Edwards 1962's Homecoming Queen.

The announcement of the Homecoming Queen for '63 will take place as soon as Joe Van Sickle escorts Linda Sigler to the platform.

Homecoming Dance

They seem to be saying "I could have danced all night."

Music for the Homecoming Dance of 1963 was supplied by the Squires Band.

Couples dance to "Moon River" following the theme of the dance "Autumn By Moonlight."

The magic of the night fills the room while couples are dancing.

The Queen and Princesses, with their escorts, dance in front of the other couples at the Homecoming Dance.

Cameraman gets a lucky shot of couples enjoying the music played by the Squires Band.

Bateman Hall in Lynwood will long be remembered as the site of the '63 Homecoming Dance "Autumn By Moonlight."

Everyone else seems to be enjoying themselves, but what's the matter with Marcie! (center)

Lovely Yvonne Homertgen waits with bated breath while Jim Nagel, Senior Class President, crowns her Homecoming Queen of 1963.

Queen Yvonne dances with her escort Jim Nagel.

Dance was enjoyed by all, including Alumni.

Homecoming Queen

Lovely Yvonne Homertgen reigns as Queen over the '63 Homecoming.

Pius X Club

Originally, it was planned that a picture of the Pius X Club should occupy this space. But since the club did not have definite members, this was impossible. An open club, the Pius X Club invites all members of the student body to attend its meetings. The main purpose of the club, organized this year by Father Kramer, was to openly discuss the problems of Pius X and to present ideas for improving the school. In this field, the subject matter varied from such topics as cliques to Religion classes. The Pius X Club allows every student the opportunity to voice his opinion and present his ideas in an effort to better the school. The Pius X Club also gives the Faculty the opportunity to obtain the students' views on certain rules and techniques. This is the first year of the Pius X Club, but such a student club will surely grow in attendance and bring a closer union and understanding between students and Faculty.

Acknowledgements

As graduation and the end of another school year draws near, students are remarking how fast the year seems to have gone. For the Underclassmen, the end of the year brings them one step closer to graduation. For the Seniors, it marks the end of an era, never to be regained. As June looms closer, each student is remembering the events, the activities, the excitement, and the disappointment he has experienced. And although these experiences can never be regained, they can be relived over and over again in the pages of this book.

We are indebted to many for the production of the TIARA 1963. We are indebted to the Administration for its loyal support; to Pace Studio for its time and patience; to the American Yearbook Company for the printing of our book; to our advertisers and patrons for their financial support; to our hard-working editors and their staffs for their continuous labor and help; and especially to Sister Jeannette for her much needed and willingly given guidance. Without any one of the above mentioned, this TIARA would not have been possible.

Our very sincerest thanks,

Sue Hawkins Marilyn Cooley
